- This map was produced with data provided by the Whole of Syria sectors and as such represents the consolidated efforts of SRP* actors from Turkey, Jordan, and from within Syria. It features the sub-districts that the sectors reached with some form of assistance during the month of July 2015.
- Coverage of a sub-district does not imply all needs have been met, nor that all areas of that sub-district have been covered.
- The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the United Nations.
