WORKING WITH PARTNERS

- UNHCR ensures the international protection of refugees and coordinates the response of assistance jointly with its government counterpart and with other humanitarian partners. UNHCR also collaborates on various fronts with other UN agencies soliciting support and cooperation in highlighting refugee issues.

MAIN ACTIVITIES

Protection

- Contributing to a favorable protection environment by ensuring fair protection processes and documentation, targeting assistance to people with specific needs, and promoting peaceful coexistence between refugees and local communities.

Education

- Ensuring optimal access to education by providing pre-school and primary education services in the refugee camps, maintaining school infrastructures, and supporting catch-up classes and vocational training.

Health

- Optimizing the health status of the population by ensuring optimal access to primary healthcare in the refugee camps, and facilitating access to secondary/tertiary healthcare services.

Food Security and Nutrition

- Improving the nutritional well-being of the refugee households by preventing and treating malnutrition, and supervising the monthly food distribution in the refugee camps.

Water and Sanitation

- Ensuring access to safe and potable water by maintaining water supply and sanitation systems, raising awareness on water preservation and hygiene, and providing soaps and hygiene kits.

Shelter and NFIs

- Ensuring access to habitable covered living spaces that provide a secure and healthy environment with privacy, comfort and dignity, by maintaining traditional emergency shelters and constructing dome tents; providing non-food items to refugees in need.

Camp Coordination and Camp Management

- Optimizing the effectiveness of the camps' activities and strengthening community mobilization through meetings involving refugee leaders.

Access to Energy

- Promoting environment-friendly practices and ensuring access to domestic energy population by distributing firewood, promoting the use of solar cookers and developing innovative solutions.

Community Empowerment and Self-Reliance

- Contributing to the economic self-reliance of persons of concern and their access to self-employment opportunities, through capacity building and asset strengthening in the field of craftwork business, herd management and milk production.

Durable Solutions

- Ensuring potential for voluntary return, integration or resettlement is realized.

UNHCR is grateful for the generous contributions of donors who have given unearmarked and broadly earmarked contributions to UNHCR this year as well as the following donors who have directly contributed to the operation:
