Temporary Instruction on Completing Documents Necessary for Delegation, Forfeiture and Withdrawal of Refugee Status

1. General Provisions

1.1. The Temporary Instruction shall set forth the procedure for completion of documents necessary for settling questions on delegation, forfeiture and withdrawal of the refugee status nationwide in Ukraine.

1.2. Pursuant to Article 1 of the Law of Ukraine “On Refugees” (hereinafter – the Law), the refugee status may be granted to a physical person who is an alien of Ukraine and due to absolutely reasonable apprehension to become a victim of persecution on the basis of race, religion, nationality, citizenship (allegiance), affiliation to certain social group or political convictions is outside the country of his/her civil affiliation (citizenship) and cannot or does not want to enjoy the protection of the country due to these apprehensions, or being an alien and outside the state of his/her previous residence, cannot or does not want to return back to the state due to the afore indicated apprehensions.

1.3. The local migration bodies of the Crimean Autonomous Republic, oblasts, cities of Kyiv and Sevastopol shall undertake actions related to the processing of documents necessary for delegation, forfeiture and withdrawal of refugee status in conformity with the Constitution of Ukraine, Law of Ukraine “On Refugees”, other legal and statutory acts, as well as international agreements with obligation being approved by the Verkhovna Rada of Ukraine, and this Instruction.

2. Submitting the refugee status solicitation

2.1. Should a person having intention to obtain the refugee status or his/her legal representative, individually provide the migration body with the application to receive the refugee status, the indicated body shall:

- register this person in the log of persons willing to submit the refugee status application (hereinafter – the Persons’ Log) (Annex 1), and the filed application – in the incoming traffic log;
- check, if the mentioned person complies with the procedure of submitting solicitation for obtaining the refugee status which is set forth by Article 9 of the Law;
- give the person or his/her legal representative the blank form of the refugee status application (Annex 2); and
- accept under the Article 11 of the Law the refugee status application for review. Should a person fail to comply with the afore mentioned procedure, the application shall be accepted for review under the written permission of the migration body head, which shall be documented pursuant to the appropriate injunction (Annex 3) and

delivered after the verification and documentary approval of the fact that there were grounded reasons to break the procedure.

2.2. Should the submission procedure of the refugee status application, set forth by Article 9, be violated without the grounded reasons, the migration body shall:

- pass the rejection decision to accept the refugee status application, which shall be documented under the injunction of the migration body head (Annex 3) and provide the person with the written notification stating the reasons of rejection (Annex 4). The relevant data shall be registered with the Persons' Log; and
- familiarize the mentioned person against the signature in the Persons' Log with the appeal procedure of the rejection decision to accept the application in the State Committee for Nationalities and Migration of Ukraine or in court (Annex 4).

3. Registration of documents necessary for obtaining the refugee status

In case the refugee status application is accepted for review, the migration body shall:

- ensure that the person or his/her legal representative fills in the appropriate form (questionnaire) (Annex 5). Should the legal representative fill in the questionnaire, he/she shall indicate the ID data of a person who expressed the wish to obtain the refugee status;
- register with the Refugee Status Application Log (Annex 6) the application and filed documents (questionnaire, papers identifying the applicant or his/her legal representative and documents or materials serving as a proof that there are appropriate conditions for the person to obtain the refugee status;
- familiarize the applicant or his/her legal representative against their personal signature with the decision making procedure, rights and obligations of person a subject to the decision on processing the documents, which are necessary for granting the refugee status. This process shall be documented in the appropriate familiarization protocol on passing the application decision, rights and obligations of person concerning whom the decision was taken to process the documents, which are necessary for granting the refugee status (Annex 7);
- fingerprint the person a subject to refugee status solicitation;
- fill out the registration list (Annex 8);
- fill out other relevant documents;
- complete the personal file pursuant to the list of documents being part of the applicant's personal file (Annex 9);
- file the data obtained into the centralized database; and

- hand out the reference note to the applicant against the signature stating that the person has submitted the refugee status application which is registered in the Registration Log for issuing the reference notes on submitted refugee status applications (Annex 10);

Simultaneously with the registration of documents necessary for granting the refugee status to children separated from families, the migration body shall apply all best efforts for retrieving the parents or other legal representatives of a non-adult, who is under 18.

4. Preliminary consideration of applications

4.1. In course of preliminary review of refugee status application the migration body shall:

- interview the applicant within three business days following the registration, in compliance with the requirements envisaged by Article 12 of this Law. The results of the interview shall be completed as the protocol of interview with a person who submitted the refugee status application (Annex 11); the protocol shall be signed by the indicated person and officer who carried out the interview. Should the interpreter be involved into the interview, he/she shall draw up a confidentiality statement of data, being part of the applicant's personal file (Annex 12). In case the interview is carried out with a child separated from parents or disabled person, a special mark shall be made in the protocol about the presence of the legal representative of the child or person, interpreter, psychologist or pedagogical representative, as well as attorney (if invited). The appropriate data on the listed persons shall be entered into the protocol;
- check if the data about the person's registration are available in the body of the specially authorized central executive agency for citizenship and registration of physical persons; and
- pass a decision on processing the documents necessary for granting the refugee status, or denial, given the written conclusion of the officer who is in charge of the case (Annex 13). The decision shall be documented under the injunction of the migration body head (Annex 14).

4.2. In case the appropriate decision on processing of the documents necessary for granting the refugee status is passed, the migration body shall:

- hand out against the signature to the person, a subject to the decision, a reference note about the person, concerning whom the decision on processing of the documents necessary for granting the refugee status was passed. The relevant data shall be filed with the Registration Log for reference note on person concerning whom the decision on processing the documents necessary for granting the refugee status was passed (Annex 15). The indicated reference note shall serve as the ground for registration with the body of the specially authorized central executive agency for citizenship and registration of physical persons;
- withdraw from the person the note on submitting the application for granting the refugee status. The appropriate data shall be entered into the Registration Log for Issuing the reference notes on submitted refugee status applications (Annex 10); and

- accept and register the receipt stating that the applicant's national passport or any ID, or other documents serving as a proof of conditions necessary for obtaining the refugee status have been received for safekeeping (Annex 16).

4.3. In case of rejection to process the documents necessary for making the decision on granting the refugee status, the migration body within three business days following the moment the decision was made shall:

- withdraw from the person the note on submitting the application for granting the refugee status. The appropriate data shall be entered into the Registration Log for issuing the reference notes on submitted refugee status applications (Annex 10);
- pass the information on decision made to the appropriate body of interior and the State Committee for Nationalities and Migration of Ukraine (Annex 17). The second copies of the applicant's fingerprint card and questionnaire shall be forwarded to the relevant body of interior; and
- provide the applicant or his/her legal representative against the signature in the Notifications Log (Annex 18) with the written notification stating the reasons of rejection and explanation of appeal procedure against the decision taken (Annex 19).

5. Application review after the decision on registration of documents necessary for granting the refugee status is passed

5.1. While considering the application for obtaining the refugee status, the migration body within a two-month period after the decision on registration of documents necessary for granting the refugee status shall:

- conduct relevant interviews with the applicant or his/her legal representative, under the rules set forth by Part 2 Article 12 of the Law. The procedure shall be documented under the protocol of interview with a person who submitted the application for granting the refugee status (Annex 11) and signed by the person and interviewer;
- submit the relevant request to the bodies of interior and State Security for checking, if there are circumstances under which the refugee status is not granted (Annex 20);
- submit the relevant request (if necessary, direct the applicant in person) to the bodies of interior and State Security for identification of the person (Annex 21), if the applicant fails to hand out the documents that identify the person, or if these documents are false or forged;
- submit the relevant requests to the bodies of interior and State Security, as well as other government bodies and local authorities, public unions (Annex 20), should there be any doubts regarding the reliability of information delivered by the applicant or if it is necessary to establish the authenticity and validity of the documents filed;
- send the applicant for medical examination (Annex 22), the results of which shall be attached to his/her personal file;

- complete the written conclusion (statement) on granting or rejection of the refugee status (Annex 23); and
- create the applicant's personal file and send it by courier together with the attached written conclusion of the migration body (Annex 23) to the State Committee for Nationalities and Migration, in addition to the documents received from or prepared by the migration body during the application review.

Given the grounded presentation of the officer, who is in charge of the application consideration (Annex 24) and if necessary, the term of review may be extended but not more than for three months; the extension shall be documented under the injunction of the migration body head.

Should the applicant during the review of refugee status application submit an appeal to terminate the consideration, the migration body shall pass an appropriate decision which is documented under the head's injunction.

6. Passing the decision on refugee status application

6.1. To pass the decision on refugee status application, the State Committee for Nationalities and Migration of Ukraine shall:

- obtain the applicant's personal file in addition to the written conclusion of the migration body;
- demand additional information from the migration body that reviewed the case (if necessary);
- apply with relevant requests to the Ministry of Interior of Ukraine, Ministry of Foreign Affairs of Ukraine, State Security of Ukraine, other State institutions and local authorities, as well as public associations, should there be any doubts about the reliability of information and need to determine the authenticity and validity of the documents;
- attach to the personal files the documents obtained from or prepared by the State Committee for Nationalities and Migration of Ukraine during the application review;
- pass a decision on granting the refugee status or rejection (Annex 25) within terms set forth by Article 14; and
- communicate the decision on granting the refugee status or rejection attached to the applicant's personal file within three business days to the migration body that was in charge of the case consideration. The data on personal file shall remain with the State Committee for Nationalities and Migration of Ukraine.

6.2. While obtaining the decision of the State Committee for Nationalities and Migration of Ukraine on granting the refugee status, the migration body shall:

- within seven business days following the receipt of the decision, provide the person concerning whom the decision on granting the refugee status has been passed, with refugee certificate (under the rules set forth by Article 14 of the Law). The relevant notice shall be entered into the Refugee Certificate Log (Annex 26), which serves as the reason for registration with the body of specially authorized executive agency for citizenship and registration of physical persons at the place of residence; and
- withdraw from the refugee status grantee the reference note on person concerning whom the decision was made to process the documents necessary for granting the refugee status. The relevant entry shall be made in the Registration Log for note about person concerning whom the decision was made to process the documents necessary for granting the refugee status (Annex 15).

6.3. Should the annual validity period of the refugee certificate be terminated, given the circumstances under which the person was granted the refugee status, and pursuant to Article 1 of the Law, the migration body shall:

- reregister the refugee; and
- extend the validity period of the refugee certificate with the relevant entry made into the Refugee Certificate Log.

6.4. Should a refugee status grantee in Ukraine being 16 and more years old or legal representative of the child separated from family apply to the migration body with the request to obtain the departure travel documents, the body shall give the indicated document in manner stipulated by the laws of Ukraine. The appropriate entry shall be made in the Departure Travel Documents Log (Annex 27).

6.5. While obtaining the decision of the State Committee for Nationalities and Migration of Ukraine on rejection to grant the refugee status, the migration body shall:

- mail or hand out within seven business days the written notification to the person a subject to the decision, explaining the reasons of rejection and appeal procedure against the decision (Annex 28). The relevant data shall be entered into the Notifications Log (Annex 18);
- withdraw the reference note about the person concerning whom the decision was passed on processing of the documents necessary for granting the refugee status. The appropriate entry shall be made into the Registration Log for reference notes about person concerning whom the decision was made to process the documents necessary for granting the refugee status (Annex 15);
- mail within three business days the relevant information to the appropriate body of interior, body of specially authorized central executive agency for citizenship and registration of physical persons (Annex 29); and
- return the national passport and other documents kept safe with the migration body to their owner. The relevant receipt shall be documented in this case.

7. Registration of forfeiture and withdrawal of the refugee status

7.1. To commence the registration procedure of forfeiture or withdrawal of the refugee status, the migration body should receive the following documents:

- application of the refugee status grantee in Ukraine about the refugee status forfeiture;
- solicitation of the body of interior, State Security of Ukraine or other government institution on forfeiture of the refugee status in Ukraine; and
- solicitation of the body of interior, State Security of Ukraine, or other government institution on withdrawal of the refugee status in Ukraine.

7.2. Should the migration body receive the indicated solicitations, it should register them with the Solicitation Log (Annex 30) and attach to the personal file, after which the migration body shall furnish the State Committee for Nationalities and Migration of Ukraine with the statement about the forfeiture (withdrawal) of the refugee status (Annex 31) with reference to the personal application of the refugee status grantee in Ukraine, or relevant solicitation of the body of interior, State Security or other government institution. This statement, given the sufficient reasons specified in Parts 1 - 4 of Article 15 of the Law, may be made by the migration body on its own initiative. The personal file and documents that prove the reasons for forfeiture or withdrawal of the refugee status shall be attached to the statement.

7.3. While considering the migration body statement on forfeiture or withdrawal of the refugee status in Ukraine, the State Committee for Nationalities and Migration of Ukraine:

- may demand from the migration body any additional information necessary for taking the decision;
- may submit relevant requests to the Ministry of Interior, Ministry of Foreign Affairs, State Security, as well as other government bodies and local authorities, public unions, should there be any doubts regarding the reliability of information presented in the statement;
- passes a decision on forfeiture or withdrawal of the refugee status, or lack of reasons for forfeiture or withdrawal of the refugee status (Annex 32); and
- mails within three business days the decision on forfeiture or withdrawal of the refugee status, or lack of reasons for forfeiture or withdrawal of the refugee status in addition to the personal file to the migration body at the person's place of residence.

The statements on forfeiture or withdrawal of the refugee status, documents received or prepared during the statement review shall be attached to the refugee's personal file.

7.4. When the decision of the State Committee for Nationalities and Migration of Ukraine on forfeiture or withdrawal of the refugee status is received, the migration body shall:

- mail or hand out, within seven business days following the receipt of the decision, to the person a written notification stating the reasons of the decision and explaining the appeal procedure (Annex 33). The appropriate entry shall be made into the Notifications Log (Annex 18);

- return the national passport and other documents kept safe with the migration body to their owner. The relevant receipt should be documented in this case;
- withdraw or invalidate the refugee certificate and the departure transport document of the refugee. The procedure shall be documented under injunction of the migration body head (Annex 34) with appropriate entry made in the Refugee Certificate Log (Annex 26) and Departure Travel Documents Log (Annex 27); and
- mail within three business days the relevant information on withdrawal or invalidation of the refugee certificate and departure travel document of the refugee (Annex 35) to the body of interior at the place of residence and to the body of specially authorized central executive agency for citizenship and registration of physical persons.

8. Consideration of appeals against the refugee status decisions

8.1. In case the migration body passes the rejection decision for granting the refugee status or rejects to process the documents necessary for granting the refugee status, and the appropriate appeal is submitted to the State Committee for Nationalities and Migration of Ukraine, the latter shall:

- register the appeal;
- provide the person (concerning whom one of the afore indicated appeals was submitted) with the reference note about the appeal accepted for consideration. The Committee shall communicate the note to the relevant migration body and the body officer shall make an appropriate entry into the Log for reference notes on accepting claims for consideration (Annex 37);
- obtain the applicant's personal file from the migration body;
- consider the appeal at the presence of the person or his/her legal representative (upon their request) and pass the appropriate decision within terms specified by Article 16 of the Law (Annex 38); and
- communicate the decision regarding the appeal in addition to the applicant's personal file to the relevant migration body.

Should the State Committee for Nationalities and Migration of Ukraine pass a decision on appeal's rejection, the migration body after the decision is received shall withdraw from the person the reference note on accepting the appeal for consideration and the appropriate entry shall be made into the Log for reference notes on accepting claims for consideration (Annex 37).

8.2. Should the court appeal the migration body's refusal to accept the application on granting the refugee status, or refusal to process documents necessary for granting the refugee status, the migration body shall provide the person with a reference note on appealing to the court. The appropriate entry shall be made in the Log for reference notes on appeals to the court (Annex 39).

8.3. In case the State Committee for Nationalities and Migration of Ukraine or court positively resolve the appeal against the rejection to accept the application on granting the refugee status, or process the documents necessary for granting the refugee status, the migration body shall:

- pass within seven business days following the day when the decision became valid, the determination on processing the documents necessary for granting the refugee status, which is documented by the injunction of the migration body head;
- withdraw the reference note on accepting the claim for consideration or reference note on appeal to the court. The appropriate entry shall be made in the Log for reference notes on accepting claims for consideration (Annex 37); and
- provide the applicant with the note on submission of application on granting the refugee status or note about the person, concerning whom the decision on processing the documents necessary for granting the refugee status was passed. The appropriate entry shall be made in the Registration Log for issuing the reference notes on submitted refugee status applications (Annex 10), or Registration Log for reference note about person concerning whom the decision on processing the documents necessary for granting the refugee status was passed (Annex 15).

8.4. Should the court appeal a decision of the State Committee for Nationalities and Migration of Ukraine on rejecting the denial claim about accepting the application for granting the refugee status, or rejection to grant the refugee status, forfeiture or withdrawal of the refugee status juridically, the State Committee for Nationalities and Migration of Ukraine shall:

- provide the person concerning whom one the afore indicated decisions is appealed with the reference note about person's appeal to the court. The Committee shall transfer the note through the appropriate migration on its instruction (Annex 40), and the migration body officer shall make an appropriate entry in the Log for reference notes on appeals to the court (Annex 39);
- pass within seven business days following the receipt of the court positive judgement that became valid, the appropriate decision and notify the migration body about the decision.

Should the court refuse to satisfy the claim against the appropriate decision of the State Nationalities and Migration of Ukraine or migration body, the latter shall within seven business days following the receipt of the court judgement that became valid or instruction of the State Committee withdraw the reference note about appealing to the court, and appropriate entry shall be made in the Log for reference notes on appeals to the court (Annex 39).

In all cases concerning refusal to satisfy the claims against the refugee status decisions, the migration body shall transfer the relevant information to the body of interior at the person's place of residence, body of specially authorized central executive agency on citizenship and registration of physical persons. The information shall be communicated after the rejection decision to satisfy the claim enters into force.

All notes specified in this item, which are communicated to the person who appeals the relevant decision, shall be the reason for registration of the applicant during the appeal consideration period in appropriate manner with the body of specially authorized central executive agency on citizenship and registration of physical persons at the place of residence.
