- Notes:**
- \* Refugees living within host communities
  - \*\* Refugees at entry points
  - OCPs: 3,509 in Addis Ababa and 354 in Tigray.
  - 3,572 new arrivals comprise 51 (1%) in Gambella, 2,798 (78%) in Shire, 82 (2%) in Addis Ababa, 332 (9%) in Assosa, 294(8%) in Melkadida and 15(0.4 %) in Samara.

The Shire refugee population decreased by 81,078 refugees in September: these refugees no longer reside in the Shire camps and are believed to have spontaneously settled elsewhere in Ethiopia, subject to verification

A monitoring mission to the Wanthowa Woreda concluded that the estimated 10,000 unregistered refugees previously reported as living with the host community are no longer in this area. It was concluded that they moved to the Burubuey registration centre during the emergency, where they were individually registered and later transferred to Pugnido refugees camp. This figure has therefore been subtracted from the statistics.

The boundaries and names used on this map do not imply official endorsement or acceptance by the United Nations
