

CLARIFICATIONS
INVITATION TO BID: No. ITB/GRC/2016-006

1. Please clarify if this particular procurement concerns a lot (as the standard UNHCR dry food pack) or due to special local conditions the items can be offered individually. (ex. Only tuna fish)

As in the Annex A it is stated:

The bidders may submit an offer for part or the totality of the requested items

All the above items shall be packed in cartons, bulk or palletized according the details stated in the purchase order.

Each items shall be individual packed as per Annex A.

2. Regarding the establishment of the aforementioned agreement we would like the following clarification: there are differences on the quantity of net grams per item, could we still be technically compatible?

In case that could be offered different quantities in grams for the ones' requested, the technical committee will evaluate accordingly, taking into consideration the capacity of the local market.
