Returns continue at a regular pace with 2,331 families returning during the week of 6 to 12 May. As before, the bulk of returns are to North Waziristan and South Waziristan Agencies. Twenty six families have returned to Orakzai in the past week, concluding this phase of Orakzai returns. The next two phases of Orakzai returns will address the remaining 21,252 families, although exact dates for these returns have not yet been announced. The current phase of Kurram returns has also concluded. The next phase will begin following further denotifications within Kurram.
