It does not include any bids that may have been made at a national level but then were not endorsed by the NOC to go forward to the IOC level of the bid procedure. Nor does it include cases where 'interest' in bidding may have been expressed but no bid was ever formally submitted to the NOC or IOC for consideration.

<sup>4</sup> The record of "previous times as Olympic host city" and "other Japanese Olympic host cities" does not include the case of Tokyo and Sapporo renouncing their respective designation as Olympic host city for the 1940 Summer and Winter Games.
