Colombia	Afghanistan	Asylum- Seeker	No Photos			In the name of God the most Merciful Poem of great saadi. Farsi Poet. Human beings are members of a whole, In creation of one essence and soul. If one member is afflicted with pain, Other members uneasy will remain. If you have no sympathy for human pain, The name of human you cannot retain. As the Media reflect in the recent earthquake and after tsunami in Japan a dangerous catastrophe is happened. That in the history of this country it's unprecedented. that hundred of people lost their life. From there that the people of Japan, in the most historic of moment help the people of my country Afghanistan. And have an active part in the reconstruction process in Afghanistan, we know this our job. With regard to human values and human emotions, to declare our survivors, with the victims of this incident and
