Fundraising Communication Internship

Project Title: Private Sector Partnerships

Organisation: UNHCR

Job Title: Fundraising Communication Intern

Duty Station: Copenhagen, Denmark

Duration: 6 months

Contract Type: Internship

Background Information

UNHCR, the UN Refugee Agency, is a global organisation dedicated to saving lives, protecting rights and building a better future for refugees, forcibly displaced communities and stateless people. Every year, millions of men, women and children are forced to flee their homes to escape conflict and persecution. UNHCR teams are in the field in some 127 countries, using their expertise to protect and care for millions of people.

This internship is within UNHCR's **Private Sector Partnerships (PSP)**, which raises funds from private sector donors to support UNHCR's work. UNHCR is almost entirely funded by direct, voluntary contributions, the bulk of it from donor nations. However, support from the private sector is growing. In 2015, UNHCR raised USD 284 million from the private sector, more than 8 per cent of total contributions received.

Within PSP, the selected candidate will sit within the **Fundraising Communication Team** in Copenhagen. This exciting internship is a unique opportunity to gain experience in communication, fundraising and campaigns within UNHCR's Global Private Sector Partnerships team and support UNHCR's private sector fundraising efforts around the world.
