Summary of Discussions and Action Points

1.	Linking Sector Indicators to the LCRP Overall Strategic Objectives
	<ul style="list-style-type: none">▪ Sectors were asked to select 3 – 5 key Outcome/Output level indicators from their results framework that could be linked to the overall strategic objectives of the LCRP; also ensuring that these indicators can be reported against regularly (minimum on a quarterly basis). Each sector submitted their inputs by the end of the meeting.▪ By Friday November 11th, Sectors need to look at situational analysis of their sector chapter and choose three sets of data to highlight in the text as info-graphics (data related to needs). These data sets will be used when publishing the LCRP Chapter; kindly send them by e-mail including: Abdul Wali Ahadi ahadia@un.org; Aimee Karam karam@gmail.com; Jad Ghosn ghosn@unhcr.org, Kerstin Karlstrom karlstro@unhcr.org; Margunn Indreboe margunn.indreboe@undp.org; and Typhaine Gendron gendron@un.org▪ The sectors identified indicators to be linked to the LCRP overall strategic objectives, below is the link. http://data.unhcr.org/syrianrefugees/download.php?id=12577
