| Status | Total | Description |
|------------------------------|---------------|--|
| Total Interviewed | 66,650 | From the launch of Return Help Desk in all Dadaab's camps at the end of November 2013; 66,650 PoCs were interviewed and 66,252 among them have expressed their intention to repatriate to Somalia. 34,504 Individuals have been repatriated to Somalia as of 4th November 2016. 3,649 have been inactivated in proGres database for No-show or spontaneous departure. While 28,099 refugees willing to return (in principle) remain active. |
| Willing to Return | 66,252 | |
| Not willing to Return | 398 | |
| Returnees | 34,504 | Despite the relatively high number of refugees who have indicated their willingness to return, some have changed their mind which has impacted the voluntary repatriation plans. It is also worth noting that in the absence of finalized plan (which is almost done) for the assistance to returnees going to areas beyond the 9 opened for returns, it has not been possible to facilitate the return of refugees going to those areas. This has generated complaints from refugees and may have justified some spontaneous departures. Returns by road to/through Jubbaland have been suspended |
