

ADDENDUM TO ANNEX A DIESEL GENERATORS TOR
19 JUNE 2017

RPM and Hertz ratings

Please price for gensets rated at 1500rpm and 50Hz. (Not 1800rpm and 60Hz)

Water and Air-Cooling

Air cooled units with 3,000 RPM will also be considered.

First Fills (exclude first fill fuel)

The supplier shall separately price for first fill oil & coolant. Sets to be transported empty of these fluids. Oil & coolant of suitable quality may be procured locally.

P.24, Section 3.6

Please disregard the condition that no parts can be touched in excess of 50degC.
