

Further to article 64, in lieu to article 29 para 1, point 6, Article 44 para 1 point 11, article 55 para 1 point 11, and article 60 para 1 point 7 of the Law on Asylum (“Official Gazette of Montenegro”, 45/06), the Ministry of Health adopted

REGULATION

ON THE WAY OF RENDERING HEALTH PROTECTION TO A PERSON SEEKING ASYLUM, RECOGNIZED REFUGEE, PERSON WITH SUBSIDIARY PROTECTION AND TEMPORARY PROTECTION GRANTED

(OGM 31/10 from 4 April 2010)

Article 1

This regulation prescribes the way of securing health protection for a person seeking asylum, recognized refugee, person granted subsidiary protection and temporary protection.

Article 2

Asylum seeker and person who has refugee status recognized obtains health protection in public health institutions in Montenegro, and dentist protection in health institutions which have signed contract with the Health Fund of Montenegro.

Article 3

Asylum seeker and person who has refugee status recognized enjoys health protection based on the certificate confirming submitted asylum claim, or decision that confirms recognized status.

Article 4

Person who have subsidiary protection granted, as well as person with temporary protection granted, realizes the right to urgent medical assistance free of charge, based on certificate confirming subsidiary or temporary protection.

Article 5

Medical record on accessing health protection from article 1 of this regulation (health record and report on medical condition) shall be maintained in line with specific law.

Article 6

This regulation enters into force eight days after its publication in ”The Official Gazette of Montenegro ”
