

Solutions Alliance Review

Survey of friends of the Solutions Alliance

The Solutions Alliance is taking stock of how far we have come, and our next steps. To conduct this external review, the Alliance has mobilised a small team of consultants who will be visiting the countries with National Groups, interviewing key stakeholders, and conducting a survey of the broader community of friends of the Alliance.

In this ten-question and maximum ten-minute survey, we are interested in your frank opinions about the Alliance and suggestions for its future.

All your responses are anonymous. The survey will remain open until 31 October, but immediate replies are highly appreciated and will help shape the line of enquiry of the review team.

Remember to click "**Submit now**" when you are done (end of survey).
