**When I See You Again**

When I could see the boat, I felt a warm fluffy bed,  
When I boarded with my daughter, I smelled hot maqluba,  
While I sat there in deep slumber, I dreamt of a new home.  
But when I heard the piercing screams and cries,  
When I felt the cold Mediterranean Sea,  
I knew...I knew...that maybe ...just maybe...  
I would see my son again
