

UNHCR reminds that only vacancy notices and tender announcements published on its official website are legitimate documents of the organisation

UNHCR would like to advise all to be cautious to avoid fraudulent behaviours by persons who use the organization's name, seeking money for services for personal gain.

UNHCR does not rely on individuals or entities to act as intermediaries for procurement or recruitment.

All tenders and vacancy notices are only made available on UNHCR's official website (<http://www.unhcr.org/turkey>) and managed through UNHCR's official mailing address.

UNHCR does not charge a fee at any stage of its procurement and recruitment processes.

Should you have any doubts, please send us an e-mail query at turan@unhcr.org .
