Syrian Arab Republic: Whole of Syria Protection Sector response snapshot for 2017 (as of 30 June)

at least²0.5%

with men (60+)

From January to June 2017, the Protection sector conducted 3.5M interventions in 1,469 communities in 211 out of 272 sub-districts in Syria through one or more of its prevention/risk mitigation, response or capacity building activities. These protection interventions include awareness raising, risk education, individual and group psychosocial support, protection monitoring, case management, referrals to other services, material/cash assistance, capacity building of humanitarian partners and frontline responders and others. Many of the interventions are done through community centres, schools, child friendly/ women safe spaces or using outreach volunteers.
