

## Biometric Registration Update | 12 to 16 May 2017

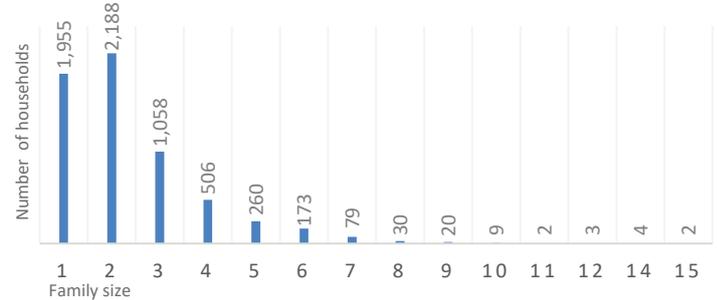

### LGA of origin of registered IDPs

### Total Registered

### Household size Distribution

Biometric Registration in Mafa LGA covered Central Primary School IDP Camp, Government Girls Arabic Secondary School IDP Camp, IDPs with host communities and returnees within the LGA. The overall average<sup>1</sup> family size is 2.4 where 66 per cent of the families comprise of 1–2 members and 33 per cent of the families have 3–7 members.

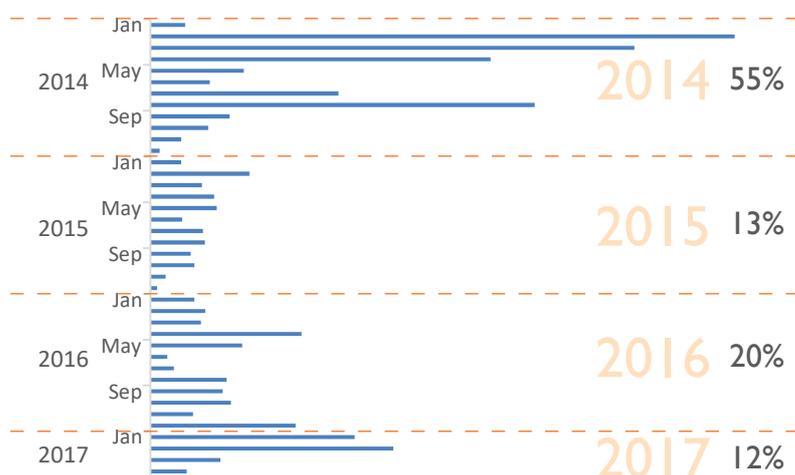

During the Biometric Registration, the enumerators collected vulnerability data to identify individuals that may require additional assistance. Out of the total population registered, about 13 per cent are people having at least one of the vulnerabilities. These figures are indicative and obtained through the interviewing of the head of household in the presence of other family members.

<sup>1</sup>Weighted average, the most suitable measure of center for this circumstance was used for estimating the overall average.
