### Tips for Humanitarians

- UNHCR provides protection and monitors delivery of services to all refugees in Malkadida Camp.
- Camp Management is done **by ARRA with support from UNHCR**.
- Interagency Camp Coordination Meetings**, co-chaired by ARRA and UNHCR, are held Tuesday's bi-weekly at 10:00 at the ARRA Camp Coordinator's Office.
- Community Mobilization Meetings**, co-chaired by ARRA and UNHCR, are held Tuesday's bi-weekly at the Malkadida UNHCR office. Implementing and Operational Partners are invited to discuss activities with the Refugee Central Committee the Women's Group, Youth Association, Religious Leaders, Elders, and any other beneficiaries with a stake in humanitarian operations.
- All refugees in Malkadida Camp are **individually registered** in UNHCR's proGres database and hold **ration** (at house holds level). Ration card numbers are useful for referral between partners and for distribution events.
- Biometrics (fingerprinting)** has been used for registering refugees living in Malkadida Camp. Biometrics assists in preventing double registration. No refugee household should have more than one ration card.
- Treatment of SAM (**Severe Acute Malnutrition**) and Treatment of MAM (**Moderate Acute Malnutrition**), for both Under 5's and MOC (Malnourished Other Categories) Programme, a targeted feeding programme for severely malnourished children between 5 years and 18 years.
