## **INTRODUCTION TO UNHCR**

The Office of the United Nations High Commissioner for Refugees was established on December 14, 1950 by the United Nations General Assembly. The agency is mandated to lead and co-ordinate international action to protect refugees and resolve refugee problems worldwide. Its primary purpose is to safeguard the rights and well-being of refugees. It also has a mandate to help stateless people.

In more than five decades, the agency has helped tens of millions of people restart their lives. Today, a staff of some 10,966 people in more than 130 countries continues to help about 65.6 million persons. To help and protect some of the world's most vulnerable people in so many places and types of environment, UNHCR must purchase goods and services worldwide. Criteria	Percentage
1. Previous experience	10%
2. Qualification of Staff	5%
3. Compliance to the terms of reference / Specifications of the proposed service	55%
<b>Total:</b>	<b>70%</b>

Remark: The Technical offer score will be calculated according to the percentage distribution for the technical and financial offers.

The minimum passing score of the Technical Evaluation is 45 out of 70 points.

The Financial offer will use the following percentage distribution: **30%** from the total score.

The maximum number of points will be allotted to the lowest price offer that is opened and compared among those invited firms. All other price offers will receive points in inverse proportion to the lowest price; e.g., [total Price Component] x [US\$ lowest] \ [US\$ other] = points for other supplier's Price Component.

For evaluation purposes only, the offers submitted in currency other than US Dollars will be converted into US Dollars using the United Nations rate of exchange in effect on the date the submissions are due.
