► Community Mobilization Meetings- co-chaired by ARRA and UNHCR, are held Tuesday's bi-weekly at 10:00 at the Malkadida UNHCR office. Implementing and Operational Partners are invited to discuss activities with the Refugee Central Committee the Women's Group, Youth Association, Religious Leaders, Elders, and any other beneficiaries with a stake in humanitarian ► Registration- All refugees in Malkadida Camp are individually registered in UNHCR's proGres database and hold ration (at house holds level). Ration card numbers are useful for referral between partners and for distribution events.

► Biometrics (fingerprinting) has been used for registering refugees living in Malkadida Camp. Biometrics assists in preventing double registration. No refugee household should have more than one ration card.
