Situation Update: Unaccompanied Children (UAC) in Greece

Number and places of UAC shelters, safe zones and hotels, 31 May 2018

Key Facts

as of 31 May 2018

UAC shelters

- **Current: 50** UAC shelters with total **1,091** places

Safe zones* (short-term)

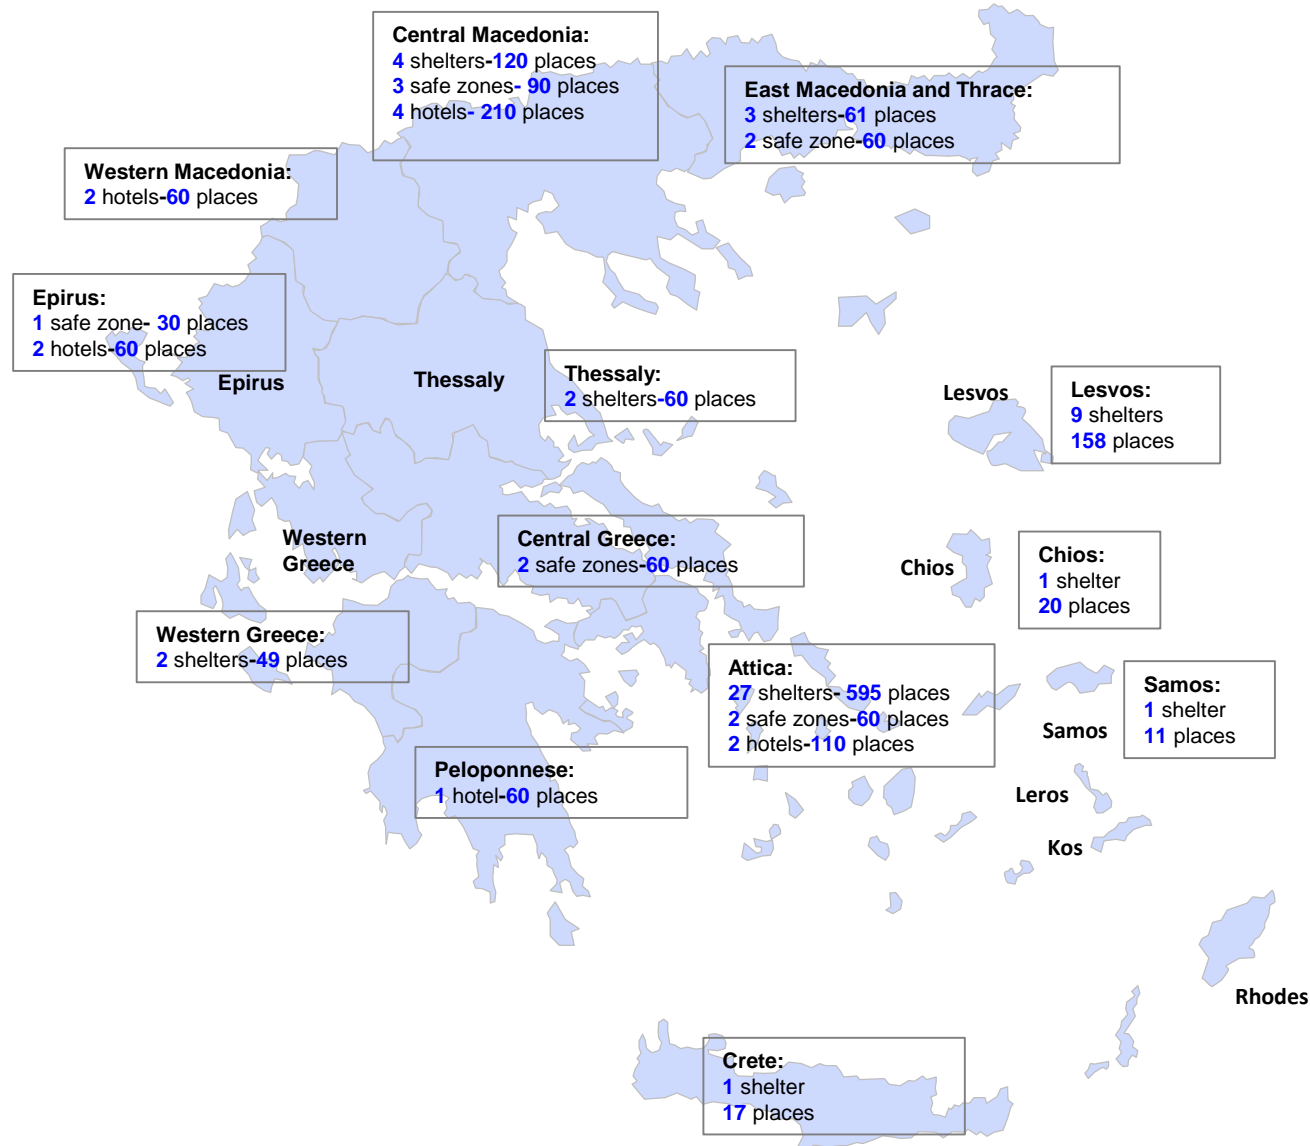

- **Current: 10** Safe Zones for UAC with total **300** places

Hotels** (emergency)

- **Current: 11** Hotels for UAC with total **500** places

***Safe Zones** are designated supervised spaces within accommodation sites which provide UAC with 24/7 emergency protection and care. They should be used as short term (maximum 3 months) measures to care for UAC in light of the insufficient number of available shelter places. Safe Zone priority is given to UAC in detention as well as other vulnerable children, in line with their best interests.

****Hotels** are emergency accommodation spaces being used as a measure to care for UAC in light of the insufficient number of available shelter places. Priority is given to UAC in Reception and Identification Centers.
