

# VULNERABILITY SCREENING TOOL

*Identifying and addressing vulnerability: A tool for asylum and migration systems.*

This tool is designed to assist frontline workers, immigration officials and decision-makers to identify an individual's areas of vulnerability and to refer them to appropriate support and placement options.

## Interview details

Date:		Time:		Location:	
Name of interviewer:			Position of interviewer:		
Name of interpreter:		Interpreter email:		Interpreter phone:	

## Individual details

ID Number:			
First name/s:		Family name/s:	
Date of birth:	Age (in years)		Is date of birth an estimate?
			Yes / No
Country of birth:		Place of birth:	
Last residence in country of origin:		Language:	
Ethnicity:		Citizenship:	
Identity document/s:			
Details regarding informed consent for interview: (Refer to your organisation's Consent Form)			
Factors limiting the individual's capacity to participate in interview, and carer and/or legal representative present at interview:			

## Intervention Rating

Rating		Tick
Low	No significant vulnerability factor is currently identified. The individual's risk to harm appears low and manageable by current resilience factors.	
Medium	Significant vulnerability could develop without preventative support measures. Frequent monitoring of vulnerability status is recommended.	
High	Significant vulnerability is evident. Follow-up assessment and development of a Care Plan is recommended. Refer to the interviewer's description of risk of harm including suggestions about immediate need for support.	

## Identified situations of vulnerability

Domain		Tick
