*Worldwide scope of status: the procurement policies and procedures of the local entities are in compliance with headquarters' policies and procedures, for that reason the PQP status is granted for all the entities of the Organization.

Please note that due to Implementing Partnership Management Guidance Note No. 4 entered in force on 1 November 2014, if a Partner wishes to ensure the continuity on its PQP status, the Partner shall make a submission to UNHCR's Procurement Service (PS, former PMCS) (hqsmsipp@unhcr.org) at least 9 months before its expiry date.

The following documents must be submitted by the Partner:

1. Scanned version of completed "Partner Procurement Self-Assessment Check List" signed by authorized person (Head of Supply or Representative of Organization) and by the Field operation if it's applicable. The self-assessment checklist is available on PMCS intranet site in excel version or as an annex in Implementing Partnership Management Guidance Note No. 4.

2. Procurement manual of the Organization detailing procurement policy and procedures, as well as any procurement related sample forms, for evaluation
