1.) Summary of action points

No.	Action Point	Focal Point / Organization
1.	Identify a new lead for the JoMoPay task force meeting.	CCF members to discuss with their own organizations

2.) Session Summaries

Item	Discussion
Presentation from Mahfazti (demonstration for On-boarding)	<p>Demonstration of core business element for Mobile wallet for CCF, the master list that was developed and the on-boarding function tested on 16 July 2019.</p> <p>The Master list is a file maintained by Mahfazti and accessible to CCF partners, with information on beneficiary active wallets/accounts. The purpose is to allow all CCF members access to existing mobile wallet account information as they prepare their projects, and then their beneficiary payment lists. The onboarding process will connect with the Eye-cloud platform to automatically fetch data into the master list. If beneficiary is not in UNHCR’s Registration system, Umniah/Mahfazti agents will upload the data manually.</p>
JoMoPay task force	<p>The Jomppay Task Force began as task force to the BNWG, that was held on a separate day and venue. Due to drops in the number of attendees, and that the attendees were mostly CCF members, where mobile wallets had become part of the monthly agenda, it was discussed and voted to have the Task Force meet in coordination with the CCF Steering Committee. Once every quarter, a JOMOPAY task force meeting would take the place of the CCF Steering Committee Meeting. All humanitarian partners were welcome to attend</p> <p>This issue was brought up again for discussion/confirmation. In order to avoid additional meetings, the membership agreed to continue the practice, adding the task force meeting once a quarter after the general Steering Committee meeting.</p>

CCF Member Accounts with Mahfazi	<p>Members of the CBJ/JOMOPAY or PSP community could be invited to give presentations or information, or to answer questions.</p> <p>CCF partners ready to begin using mobile wallets were encouraged to start the process of opening their own account with Mahfazi. To open an account they should contact Bassim Abulfeilat at babulfeilat@al-hulool.com, 0789903232</p>
AOB	<p>Next CCF meeting will take place IOM on 21st of August because of EID holidays.</p>
