- Referral system from Islands to Mainland
 - Interagency meetings have been scheduled in order to understand how we can strengthen the referral service.
 - Only the health referral system seems to work
 - KEPOM(general pantelatos)is the responsible national wise on the referral system

2. Updates from members

DRC Skaramangas:

- significant increase on spontaneous arrivals (up to 300 people living in tents on the site.
- Cash distribution by CRS has motivated lot of POCs from Elefsina to move to Skaramangas
- No resident stamps are being given until further notice
- 200people without a food card
- DRC is working on SOPs on Spontaneous new arrivals to be shared with MoMp and the

Navy

- Wifi hotspots for the POCs by next week
- Online information board under development
- Situation of the sewage system very alarming

DRC Elliniko:

- Strong winds unhitched signs on Baseball.They got removed by DRC staff
- Overflowing in the basement on Arrivals. Problem was solved within a day.

- KEELPNO visited the site and published a report regarding the flooding.
- A maintenance and unclogging system has put in place for avoiding future incidents.
- Significant drop on the population number especially in Arrivals

Organisation Earth-Lavrio:

- Number of population keeps dropping.
- Extra portions of food and their distribution creates tension between population
- Population asked the site commander for a violent woman to be removed by the site
- 2 of the families were removed by MoMp to Serres
- The site kitchen is on use but there are no supplies.
- The kitchen is a professional restaurant kitchen and POCs are not the ones cooking.
- Mercy Corps are distributing prepaid cards. POCs are not using for food as food is still be provided by the catering of the Army.
