

The UNHCR Tool for  
**Participatory  
Assessment**  
in Operations

## Note

This Tool is the product of collaborative efforts, resulting from consultations and contributions from UNHCR staff and partners in the field and at headquarters in Geneva; it was piloted in 14 countries and has been applied in 40 UNHCR field operations. UNHCR would like to thank all those who contributed to the development of this Tool.

Any part thereof may be reproduced, translated into other languages or adapted to meet local needs without the prior permission of UNHCR provided that:

- All parts are distributed free of charge;
- UNHCR is acknowledged.

UNHCR would be grateful to receive copies of any adaptation or translation into other languages.

First edition, May 2006
