National consensus is a must in order to take the peace process to a logical conclusion and to complete the task of drafting the new constitution.

Therefore, as per the Comprehensive Peace Agreement (CPA) 2006 and various other understandings reached between the political parties at different times, the following understanding has been reached to complete the remaining task of constitution-drafting and move forward on the basis of national consensus.

Integration will be done under a directorate of Nepal Army and 65 percent of the personnel of the directorate will come from Nepal Army while remaining 35 percent from the Maoist combatants. The directorate will have the mandate of carrying out development related activities, forest conservation, industrial security and crisis management.
- c) Combatants of the Maoist army opting for integration will have to meet the standard norms of the security agency on an individual basis. However, the existing recruitment policy on age bar, educational requirements and marital status will be made flexible. - f) All the weapons stored in cantonments will automatically come under the government's ownership once the process of integration begins.

2. Rehabilitation of Maoist combatants

- a) An alternative package of education, training and vocational opportunity will be provided to combatants opting for rehabilitation. Depending on the nature and timeframe, the cost of the package will vary from Rs 600,000 to Rs 900,000.
- b) Depending upon their responsibilities, the combatants opting for voluntary retirement and cash instead of the package will be categorized into four levels and those falling in the highest category will get Rs 800,000 while remaining three levels in the descending order will get Rs 700,000, Rs 600,000 and Rs 500,000 respectively. The amount will be made available in two installments in two fiscal years. A formal decision to this effect will be made at a meeting of the Special Committee within two days.
