Decisions

The Deputies

1. noted with grave concern that yet another applicant in this group of cases, Mr Yakubov, had allegedly been abducted in Moscow in April 2014 despite the repeated calls by the Committee of Ministers on the Russian authorities to take the necessary measures to prevent such incidents (see, in particular, Interim Resolution CM/ResDH(2013)200);
2. urged the Russian authorities to continue their investigation into Mr Yakubov's disappearance in order to shed light on the circumstances of this incident, taking into account the findings of the European Court of Human Rights as regards the involvement of the State authorities in other cases, notably in the case of *Savriddin Dzhurayev*;
3. noted, with concern, that this incident casts doubts on the soundness of the preventive and protective arrangements set up by the Russian authorities in response to the Committee's call in September 2013, and requested, in this context, the Russian authorities to ensure that relevant individuals are informed of the protective measures available;
4. further noted, with concern, that no information about any progress in the investigations into similar previous incidents in this group of cases has been provided;
5. invited the Russian authorities to provide information on the different issues raised in this group of cases in good time for their 1208th meeting (September 2014) (DH).
