Anmerkungen

Alle angeführten Dokumente wurden – mit Ausnahme einer Reihe von Artikeln zur länderkundlichen Hintergrundinformation sowie des Länderberichts des UK Home Office nach Jänner 2004 veröffentlicht oder aktualisiert.

Die meisten der angeführten Dokumente sind englischsprachig. Dokumente, die in einer anderen Sprache veröffentlicht wurden, sind entsprechend gekennzeichnet (z.B. deutsch).

Berichte, die verschiedene Themenbereiche abdecken, sind mehrmals angeführt und unter Seiten- bzw. Absatzverweis den jeweils relevanten Abschnitten zugeordnet.

Da die Ukraine im Oktober 2003 nicht mehr zu den 35 wichtigsten Herkunftsländern von Asylsuchenden in Großbritannien zählte, ist die letzte verfügbare Lageeinschätzung vom April 2003. Da der Originallink jedoch nicht mehr verfügbar ist, verweisen wir auf die ecoi.net interne Kopie.
