

**Notes:**

# The IOM figure for Sortony is currently under revision due to IOM's halt of registration and verification processes since mid-February. WFP is currently cross-checking its distribution figures against its earlier headcount and, as such, a final, revised, figure is not yet available.

# The IOM figure for Tawilla is currently under revision due to IOM's halt of registration and verification processes since mid-February. Cross-checking against humanitarian assistance figures provided so far is currently ongoing and, as such, a final, revised, figure is not yet available.

# In Boori and Wadi Boori villages, confirmation on reported displacements in the area and / or to other areas is still not possible.

The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the United Nations.

IDP figures constantly fluctuate. OCHA receives figures from different partners and triangulates them. The number of verified IDPs OCHA reports has been either verified by IOM or confirmed by inter-agency assessments / missions and / or during the provision of assistance by humanitarian partners. This in turn implies that the level of verification and accuracy varies greatly.
