**INTRODUCTION TO UNHCR**

The Office of the United Nations High Commissioner for Refugees (UNHCR) was established on December 14, 1950 by the United Nations General Assembly. The agency is mandated to lead and co-ordinate international action to protect refugees and resolve refugee problems worldwide. Its primary purpose is to safeguard the rights and well-being of refugees. It strives to ensure that everyone can exercise the right to seek asylum and find safe refuge in another State, with the option to return home voluntarily, integrate locally or to resettle in a third country. It also has a mandate to help stateless people. In more than six decades, the agency has helped tens of millions of people restart their lives. Today, a staff over 10,000 people in more than 128 countries continues to help some 63.5 million persons. To help and protect some of the world's most vulnerable people in so many places and types of environment, UNHCR must purchase goods and services worldwide. For further information on UNHCR, its mandate and operations, please see <http://www.unhcr.org>.

**1. REQUIREMENTS**

The Office of the United Nations High Commissioner for Refugees (UNHCR), Private Sector Partnerships, invites qualified service providers to make a firm offer for the delivery of fundraising analytics platform services.

**IMPORTANT:**

Terms of Reference (ToRs) are detailed in **Annex A** of this document.

UNHCR is looking for service provider(s) to enter into frame agreement for three (3) years, potentially extendable for a further period of one plus one (1+1) year with subject to satisfactory performance. The successful bidder(s) will be requested to maintain their quoted price model for the duration of the Frame Agreement.

Other United Nations Agencies, Funds and Programmes shall be entitled to the same prices and terms as those contained in the offers of the successful bidders and could form the basis for a Frame Agreement with other UN Agencies.

It is strongly recommended that this Request for Proposal and its annexes be read thoroughly. Failure to observe the procedures laid out therein may result in disqualification from the evaluation process.

PSP would like to identify qualified companies based on the following three different sets of services:

**LOT 1 – Reporting, Data Management and Modelling**

**LOT 2 - Analysis and data consultancy**

Companies can submit a proposal to LOT 1 and LOT 2 separately. It is not a mandatory criterion to send an offer for both lots. The evaluation of the different lots will be carried out separately on technical and financial level. Please make sure the all requirements per lots are included into your proposal. Please also indicate clearly the services/lots you are bidding for to ease the evaluation process.

Please be informed that joint venture, or contractor/subcontractor relationship are allowed. In either case, bidder needs to confirm which company is the project lead to take responsibility of the commercial relationship. The bid is to be submitted under one company, as leader. The winner bidder will be the contracted party, responsible for performance. UNHCR will deal with only one party (as single legal entity) for the administration of the contract, in case of selection. Please read carefully UNHCR General Terms and Conditions (Annex D, page 3, clause 5) about subcontracting

Note: this document is not construed in any way as an offer to contract with your firm.
