USEFUL INFORMATION FOR REFUGEES AND ASYUM-SEEKERS

Why register with UNHCR?

Registration allows you and your family to formalise your stay as asylum-seekers in Egypt. It also helps you with your daily interaction with Egyptian authorities and partners. In addition, registering with UNHCR facilitates residency and will protect you and your family from being returned to your country of origin against your will.

When you register with UNHCR, you will be provided with a UNHCR registration document. Please pay attention to the validity of your UNHCR document and make sure you contact UNHCR for a renewal appointment one month prior to its expiration.

UNHCR Registration Documents

Asylum-seeker Certificate (White Paper)

This certificate is issued to persons registered with UNHCR who have officially applied for refugee status without presenting valid identification documents. It does not enable its holder to obtain a residency permit, but serves as proof of an asylum application in Egypt that is pending consideration for refugee status determination with the UNHCR Office, and based on which, he/she should be accorded international protection considerations. If you obtain identification documents after being issued a certificate, please approach UNHCR during reception hours to receive an Asylum-seeker Registration Card.

Asylum-seeker Registration Card (Yellow Card)

The card is issued to persons registered with UNHCR who have officially applied for refugee status and have presented valid identification documents. It provides protection from detention and deportation to your country of origin or any other country, and allows the holders to obtain a legal residence permit (sticker) to legalize their stay in Egypt. The card is valid for 18 months.

Refugee Registration Card (Blue Card)

The refugee registration card is issued to persons who had been formally recognized as refugees by UNHCR. The card allows its holder to obtain a legal residence permit (sticker) to legalize their stay in Egypt. It is valid for three years.

Procedures for Obtaining Residence Permits for Refugees and Asylum-seekers in Egypt

In mid-October, the Egyptian authorities decided to replace the residence permit sticker added to UNHCR cards (yellow and blue) with a new digital residence permit card. This leaflet explains the steps of obtaining the new residence card for all refugees and asylum-seekers registered with UNHCR and provides answers to frequently asked questions.

Why do I need a valid residence permit?

Every foreigner, including refugees and asylum-seekers, staying in the Arab Republic of Egypt is obliged to have a valid residence permit. Without a valid residence permit, s/he would be staying illegally in the country, which is punishable under Egyptian law. Therefore, you are advised not only to obtain your residence permit after registration with UNHCR but also to renew it when it expires.

How can I obtain a residence permit in Egypt?

1. You should approach the Ministry of Foreign Affairs (MFA), located at Corniche El Nil, 21 days after receiving your UNHCR Registration card. Proceed to the Department of Refugees, located at the back gate of the ministry, where you will be provided with a reference number.
2. You must go to the Communications office of the Residence Unit at the Passports and Immigration Administration in Abbasiya 21 days after receiving the reference number from the Ministry of Foreign Affairs (the previous step). You must provide the reference number issued by the Ministry to the Communications office and accordingly you will be provided with a submission appointment.
3. On the day of your appointment, please approach the Residence Unit in Abbasiya, where you will be asked to submit all necessary documents, including the residence permit application form and stamp this form. Together with your family members, you will also be asked to have your photos and finger prints taken.
4. Around 10-15 days later, or as indicated by the officials of the Residence Unit, you must return to the Residency granting office at the Residence Unit of the Passports and Immigration Administration, where you will obtain the residence permit card issued by the Egyptian government.
5. The residence permit is issued only at the Passports and Immigration Administration in Abbasiya. You must go there in person to complete all procedures regardless of your place of residence in Egypt.

What documents should I bring?

1. All UNHCR registration cards of the family members and dependents registered with you in Egypt.
2. Original passport of the family members and dependents registered with you in Egypt.
3. Copies of both your UNHCR registration document(s) and your passport(s).
4. The reference number which you obtained from the Ministry of Foreign Affairs.
5. Two passport-sized photos of yourself. Photos of your dependents are not needed unless they are 12 years old and above, and were issued a separate UNHCR documentation card.

Are there any fees that I have to pay to obtain the residence card?

Yes, you will be required to pay processing fees of the new card amounting to EGP 100 at the bank located at the premises while presenting your application to the Residence Unit.

What type of residence permit will I be issued?

You will be issued a regular non-tourist residence permit for an initial period of 6 months, which will be renewable as long as you remain a person of concern to UNHCR in Egypt. The same period is granted to blue and yellow card holders.

How do I renew my residence permit?

You should follow the same steps and procedures for issuing a residence permit explained above. In addition, you will have to bring copies of your passport(s), UNHCR registration card(s) valid for three months at least, one passport photo, and a copy of the previous residence permit.

How can I reach the location of the Passport and Immigration Administration?

The headquarters of the administration is located at 417 Ramses Street in Abbasiya, which is easy to reach by public transport by following these instructions: (You can also check the metro map below)

For refugees living in Greater Cairo:

Cairo Metro: The nearest station to the new headquarters is Abbasiya Station (Green Line; Imbaba - Airport). After exiting the metro station, the Administration will be a five-minute-walk away.

For refugees residing in other governorates:

Ramses Train Station: You can take the train/public transport from any governorate to Ramses station. When you arrive at the station, go to Al Shohadaa metro station and get off at Ataba metro station where you will change to the green metro line (Imbaba - Airport) and get off at Abbasiya station. After exiting the metro station, the Administration will be a five-minute-walk away.

Important Notes

It is important that the principal applicant and his/her spouse be present at the Ministry of Foreign Affairs (MFA). Kindly note that minors (children under the age of 18) are not required to be present.

Unaccompanied children must follow the same procedures as explained above. If you face any difficulties, please contact UNHCR.

If you entered Egypt irregularly, please contact the residency unit to obtain a suggested legal entry date. In the case of losing your passport, you will be expected to provide a police report.

It is strongly recommended that you begin the renewal process four weeks prior to the expiration of the previous card in order to avoid any procedural delays.

REFUGEE STATUS DETERMINATION

What is the purpose of the refugee status determination interview?

The purpose of the refugee status determination (RSD) interview is to assist you to put forward your case and to fully explain all pertinent information concerning you and your past experiences and circumstances that led you to fleeing your home country.

All information you provide during the interview will be treated in a confidential manner by UNHCR.

During the interview, you will be asked questions about your family, education, place of birth, and the particular reasons for leaving your country of origin. Based on this interview, UNHCR will determine whether or not you will be granted refugee status according to international refugee law.

The Refugee Status Determination Interview

When you are scheduled for an individual refugee status determination (RSD) interview, either you will be given an appointment slip with the date of the interview or you will receive an SMS. Furthermore, the RSD website at rsd.unhcregypt.org/refugeeresult.aspx will be updated with your appointment date as well. As there could be changes in the RSD appointments, you are also requested check the website regularly, especially 48 hours before your RSD appointment.

During the RSD procedure, you are required to:

- Submit any documents and evidence available regarding your application;
- Inform UNHCR about your family members accompanying you. Adult family members will be interviewed individually;
- Tell the truth and be cooperative.

During the RSD procedure, you have the right to:

- Be interviewed in a language you can communicate in;
- To be represented by a lawyer or a legal representative, who qualifies as such under UNHCR's established procedures, during your RSD procedure.

Please also take note that:

- Each applicant has a different profile, background and reason for fleeing his/her country; hence, each case will be assessed individually according to UNHCR rules and procedures. Please, do not pay attention to rumours spread among refugee communities about specific stories to be presented in order to be granted refugee status;

- Intentionally misleading UNHCR about the facts of your case or your identity is fraud. Please note that this will negatively affect the processing of your case and may lead to a negative decision. UNHCR reserves the right to take appropriate measures in such cases;
- Your statements and documents will be kept confidential and will not be shared by UNHCR with other third parties without your consent. Please note that under no circumstances will UNHCR share your information with the government of your country of origin;
- Do not sign any documents unless read, understood and approved by you;
- While in Egypt you, like any other foreigners, are expected to respect the laws, customs and traditions of the society hosting you;
- Verbal and physical threats made to UNHCR staff violate national law. UNHCR will report any person making such threats to the police and this person may be prosecuted.

Why are there different procedures at first instance?

UNHCR Cairo has different procedures depending on the complexity of the cases. Some cases undergo registration and refugee status determination (RSD) interviews together in the same interview, which is called the Merged Registration/RSD procedure; some cases have separate registration and RSD interviews; and some cases have more than one RSD interview in order to ensure the Office has sufficient amount of information to complete the RSD procedure.

All RSD interviews except for the Merged Registration/RSD ones take place in the RSD Building 44A Street, 2nd proximity, 8th District, 6 October City. The Merged Registration/RSD interviews take place in the UNHCR 6th of October Main Premises in the 17 Mekka El Mokrama Street, 3rd proximity, 7th District. No RSD interviews are conducted in the UNHCR Alexandria Office.

What if I missed an RSD appointment?

Please be informed that if you failed to attend an RSD appointment without a reasonable explanation, your case might be closed.

If you miss an appointment, it is your responsibility to request a new one as soon as possible explaining the reason why you could not approach the office. Please note that the new appointment will only be granted if you provided a reasonable explanation as to why you failed to attend.

Are my family members, who registered with me, required to be present at the refugee status determination interview?

All those who are registered in the file need to be present for the refugee status determination interview unless you are informed otherwise. All the adult members of the case will go through a separate interview at UNHCR.

What should I bring with me to the RSD interview?

You should bring with you the following:

- Your UNHCR asylum seeker registration card;
- Your appointment slip;
- Any documents that are relevant to support your refugee claim;
- Your and your family members' original identification documents (such as passports, ID cards, military booklet, marriage certificate, birth certificates, medical reports if any, etc.);
- Proof of previous registration with other UNHCR Offices.

Can I have a legal representative/advisor to assist me during my refugee status determination procedure?

You are entitled to have a legal representative/advisor to assist you during your refugee status determination interview. In Egypt, Saint Andrews' Refugee Services provide information, counselling, referral, representation, and advocacy for asylum seekers and refugees in Egypt free of charge

Notification of Refugee Status Determination Decisions

Once your decision is ready, you will receive an SMS to indicate your result notification date/appointment. In the meantime, you can also check the RSD website at <http://rsd.unhcregypt.org/refugeeresult.aspx>, which will also reflect your result notification date/appointment, once available. The decision on your asylum application could either be recognition or rejection.

What happens if I am recognized a refugee status?

If you are recognized as a refugee, you and your dependents will be provided with a UNHCR refugee card. In order to collect the decision letter, you will be required to present to UNHCR reception staff your UNHCR asylum seeker registration card and your identification documents (passport or other form of identification) when you approach UNHCR 6th of October Main Premises in the 17 Mekka El Mokrama Street, 3rd proximity, 7th District for your result. If you are residing in the northern governorates, you will be notified in UNHCR Alexandria Office. This blue card is evidence that you have refugee status and fall under the protection of the Egyptian Government.

What happens if I am denied a refugee status?

If you are denied refugee status after the first instance interview, you will be requested to approach UNHCR 6th of October Main Premises in the 17 Mekka El Mokrama Street, 3rd proximity, 7th District, where you will receive a negative decision letter, which contains an explanation on the reasons that led to the denial of the asylum application. If you are residing in the northern governorates, you will be notified in UNHCR Alexandria Office.

In order to collect the decision letter you will be required to present to UNHCR reception staff your UNHCR asylum seeker registration card and your identification documents (passport or other form of identification). You will then be required to sign a receipt for your notification letter.

If you are notified with a negative decision you have the right to submit an appeal request within 30 days by approaching the Window 4 of UNHCR 6th of October Main Premises in the 17 Mekka El Mokrama Street, 3rd proximity, 7th District or by approaching UNHCR Alexandria Office, if you are residing in the northern governorates. If you do not wish to lodge an appeal against the first instance decision denying your asylum application, you will no longer be considered as person of concern to UNHCR.

How can I submit an appeal request?

Step 1

You should collect an appeal request form from Window 4 of the UNHCR 6th of October Main Premises in the 7th District

OR

Download it from the Forms and Leaflets section of the RSD website at <http://rsd.unhcregyp.org/refugeeresult.aspx>.

In your appeal request form you must include the following:

- The reasons why you think the first instance negative decision is wrong, and
- Your updated contact information.

Step 2

You should then submit the duly filled appeal application form to Window 4 of the UNHCR 6th of October Main Premises 17 Mekka El Mokrama Street, 3rd proximity, 7th District or to the UNHCR Alexandria Office, if you are residing in the northern governorates. You will be given a receipt for confirmation of your appeal submission.

What will happen during the appeal process?

Different UNHCR protection staff members than the ones who were involved in the initial first instance decision review all appeal requests. Not all appeal requests will lead to an appeal interview. If an appeal interview is needed, you will be notified of the date of your appeal interview via SMS, and the appointment will also be available in the RSD status section of the RSD website at <http://rsd.unhcregyp.org/refugeeresult.aspx>.

If the first instance decision is overturned, you will be granted refugee status; if the first instance decision is confirmed, your file will be closed.

How can I contact the RSD Unit?

You can contact the Info Line at 02 2728 56 99 or you can approach the RSD Building 44A street, 2nd proximity, 8th District, 6th of October City.
