## Achievements

### **PROTECTION**

#### **Achievements and Impact**

- **Registration:** 9,449 newly arrived refugees registered since the beginning of January 2019, of whom 7,140 (75.6%) are refugees from South Sudan.
- **Resettlement:** 163 cases comprising of 584 individuals submitted for resettlement consideration to Canada, Sweden, United Kingdom and the United States (US). Additionally, 450 individuals departed for resettlement in 2019 mainly to the US, Canada, Sweden and Australia.
- 34 cases of 135 individuals facilitated for resettlement through **complementary pathways** in 2019. These include family reunification, private sponsorships, educational scholarships and labour mobility.
- **Voluntary Repatriation (VolRep):** 135 individuals have been assisted to return through the VolRep programme in 2019 of which 61 individuals returned to Somalia and 39 74 Burundi.
- **Child Protection:** 66 Best Interest Assessments (BIAs) were conducted in June with 41 in Kakuma camp and 25 in Kalobeyei Settlement. 18 Child protection concerns were identified and appropriate referrals made.
- **KASI:** 12,887 refugees are actively enrolled in KASI as of 8 July 2019. KASI tool allows refugees access to their own data, schedule appointments with UNHCR protection staff and apply for movement permits.
- **Legal Assistance:** Cataloguing of Refugees IDS was done and a pilot project on issuance of refugees ID through Kasi commenced in the course of the month. A total of 6391 Refugee IDS have been catalogued as at 30th June 2019.
- 58 persons of concern received legal aid assistance during the month June.

### Identified Needs and Remaining Gaps

- Specialized services to persons living with disability and mental health challenges are limited and the number of cases in need of assistance increased without having any adequate services and referral mechanisms.

### EDUCATION

### Achievements and Impact

- 7 (2 female) school Principals participated in the annual Kenya Secondary Schools Heads Association meeting in Mombasa where issues on the changes in the education sector in Kenya were discussed, including the new Competency Based Curriculum (CBC) that will be rolled out in two years' time.
- Kenya Red Cross (KRC) conducted a Menstrual Health Management awareness to 800 girls in Kalobeyei Settlement primary schools. The awareness helps improve self-hygiene and promote school attendance for girls.
- 78 female learners from four camp schools participated in regional music festival held in Nakuru County. From the competition, 24 girls from Angelina Jolie qualified to proceed to the National music festival with 14 solo and choral verse items.
- 6 (5 female) learners from Kakuma camp schools participated in Regional ball games competitions held in West Pokot County where one girl displayed excellent goal keeping skills and was selected to play at national level as a goalkeeper in Meru County.
- 40 new teachers from Primary schools in Kakuma underwent a five-day induction training using the Teachers in Crisis Contexts (TiCC) training pack. This is the first of teacher recruitment and induction pathway for all new teachers before taking up their new roles in various schools. The training included pedagogy and inclusion, curriculum and planning, child protection and well-being, introduction to CBC.

### Identified Needs and Remaining Gaps

- Inadequate facilities (classrooms, toilets, desks, WASH and play facilities) leading to school congestion and inability to enrol out-of-school children.
- An insufficient number of teachers including a low number of female teachers, limited training opportunities, and low remuneration and motivation, which affects education quality.

**SHELTER AND CBI****Achievements and Impact**

- A total of 7,642 bank accounts opened for refugees in Kalobeyei settlement since June 2018 and KES. 280,996,600 distributed to beneficiaries through the CBI approach.
- 6,687 households comprising 33,590 individuals have received cash assistance in four bi-monthly distribution to cover the cost of sanitary items. Monthly disbursements will be conducted from July 2019. Thus far, a total of KSE. 66,677,300 has been injected into the local economy through CBI for Core Relief Items programme.
- 408 shelters constructed for 470 Households, comprising 1,566 newly arrived refugees, in Kakuma camp.
- 162 permanent shelter units were constructed in Kalobeyei through Cash Based Intervention approach. Additionally, 69 family latrines were constructed alongside permanent shelters through UNHCR's Cash for Shelter project.
- Shelter materials distributed to 349 families affected by floods in Kakuma refugee camp.

**Identified Needs and Remaining Gaps**

- Need for the construction of adequate permanent homes for the nearly 7,000 families who are currently living in temporary shelters in Kalobeyei settlement.

**ACCESS TO ENERGY****Achievements and Impact**

- 196 refugee households and business have so far been connected to the Kalobeyei Settlement mini grid and 60 connections in the Host Community mini grid in Kalobeyei town. The registration and connection process is still ongoing until the target of 280 connections in the settlement and 101 in Kalobeyei town is met.
- 193 Maendeleo dual-purpose stoves were produced in June and 358 stoves were distributed to the new arrivals relocated to the community in Kakuma refugee camp.

**Identified Needs and Remaining Gaps**

- Households continue to rely predominantly on firewood, charcoal, paraffin and basic solar lanterns for their cooking and lighting needs respectively, with firewood being the main source of energy.
- The availability of affordable and reliable electricity has the potential to stimulate economic growth that will have beneficial spill-over effects that could potentially increase individual revenue hence a higher disposable income.

## FOOD SECURITY AND NUTRITION

### Achievements and Impact

- 7,294 individuals enrolled in supplementary feeding programme to improve their nutrition since January 2019.
- 2,266 new admissions recorded in Outpatient Therapeutic Programme in 2019.
- 2,206 newly arrived children screened for malnutrition since January 2019 out of which 377 (17.1%) were found to be acutely malnourished.
- UNHCR and partners are forming a taskforce to effectively respond to nutrition needs on immediate and medium term. The taskforce includes UNHCR, WFP, UNICEF and national and international partners.

### Identified Needs and Remaining Gaps

- Food assistance remains far from meeting Recommended Daily Intake of the population and leads to deteriorating nutrition status especially among young children and women.
- 

## COMMUNITY EMPOWERMENT AND SELF RELIANCE

### Achievements and Impact

- 144 candidates have been registered to sit for National examinations in August 2019 out of the total 16 are female and 128 are male.

### Identified Needs and Remaining Gaps

- Need for a multi-year sustainable livelihoods programming.
- There is inadequate access to credit facilities by refugees, which limits the growth of existing businesses and limits opportunities for new businesses.

## Working in partnership

UNHCR continues to work closely with the Government of Kenya through the office of the Deputy County Commissioner (DCC), Turkana County Government, the Refugee Affairs Secretariat (RAS), and partners to ensure support to refugees and asylum seekers. Monthly Inter-Agency meetings chaired by UNHCR and RAS continue to be held including meetings with refugee representatives in the camp and settlement.

## Financial Information

Total recorded contributions for the **Kenya** operation amount to **US\$ 35.8 million**

UNHCR is grateful for the critical support provided by donors who have contributed to the Kenya operation as well as those who have contributed to UNHCR programmes with unearmarked and broadly earmarked funds.
