FUNDRAISING IDEAS TO HELP YOU GET STARTED

EVENTS BIG AND SMALL

- Have a talent competition

Make some sales:

- Hold a car wash
- Organize a bake sale at work or school
- Declutter: hold a garage sale
- Set up a lemonade stand (perfect for kids!)
- Set up a coffee stand at school during exam season
- Sell your drawings and paintings online or at an exhibition

Get active:

- Run, walk or cycle and pledge funds for every km travelled
- Hold a sports tournament
- Lead a dance/exercise class

Think big:

- Host a community barbeque
- Hold an auction of valuables collected from local businesses
- Throw a dinner/gala
- Donate your wedding
- Collect donations in memory of a loved one
- Hold a concert or music festival

SOLIDARITY CHALLENGES

Challenge your friends and family to sleep under a tent in their backyards for a month to get a glimpse into life in a refugee camp. Winter will pose an extra challenge!

If every Canadian walked the length of two marathons (88km), it would equal the total distance travelled by asylum seekers each year to reach safety (3.3 billion km!) Challenge your friends and family to walk, run or cycle in solidarity with refugees.

Refugee camps can be dark places - literally! Lack of light after sunset makes even simple activities extremely challenging. Invite your friends over one evening and try to cook dinner, play games, study or just hang out - all in total darkness. Ironically, it will be an illuminating experience!

SAMPLE LETTERS TO DONORS & VOLUNTEERS

FOR YOUR DONORS:

Dear Jannat,

Thank you so much for your generous pledge in support of my 5K run for UNHCR Canada. Your contribution helped me to meet my goal of raising \$2,000 for refugees in need, and I couldn't have done it without you!

All of the funds will go directly to UNHCR, which provides life-saving assistance to refugees around the world. Each year, the organization delivers shelter, food, water, medical care and other aid to people who have fled their homes to escape violence or persecution. As a result, more than 65 million refugees, internally displaced people and asylum-seekers are receiving the protection and the support they need to survive and build better lives.

Thank you for helping to make this work possible. If you'd like to learn more about UNHCR Canada, you'll find details online at unhcr.ca. Thank you again for your generous support—it really does make a difference!

Sincerely, Sam

FOR YOUR VOLUNTEERS:

Dear Ariya,

Thank you so much for helping us put together our very first refugee-themed gala for UNHCR Canada. We couldn't have done it without your support!

In total, we raised more than \$3,000 for refugees in need. This money will help the organization provide shelter, food, water, medical care and other aid to more than 65 million people who've fled their homes. As a member of our event team, you've helped to make this work possible.

We deeply appreciate all that you did to ensure that our fundraiser ran smoothly. People who attended the gala have been telling us how much they enjoyed it, and we're already thinking about how to make next year's event even better! We hope that you'll join us again.

If you have any questions or feedback that you'd like to share with us, we'd be happy to hear from you. Thank you again for all of your help supporting this wonderful cause!

Sincerely, Alex and Sarah

THE (NOT SO) SMALL PRINT: YOUR FUNDRAISER NEEDS TO BE SAFE AND LEGAL

All fundraising on behalf of UNHCR must follow municipal, provincial and federal laws. Please make sure to check on the rules about gambling, liquor, competition and raffles. UNHCR is not responsible for providing any licensing.

UNHCR's efforts are mandated by the organization's Statute, and guided by the 1951 United Nations Convention relating to the Status of Refugees and its 1967 Protocol. International refugee law provides an essential framework of principles for UNHCR's humanitarian activities. UNHCR is an impartial organization, offering protection and assistance to refugees and others on the basis of their needs and irrespective of their race, religion, political opinion or gender. In all of its activities, UNHCR pays particular attention to the needs of children and seeks to promote the equal rights of women and girls. In its efforts to protect refugees and to promote solutions to their problems, UNHCR works in partnership with governments, regional organizations, international and non-governmental organizations. UNHCR is committed to the principle of participation, believing that refugees and others who benefit from the organization's activities should be consulted over decisions which affect their lives. By virtue of its activities on behalf of refugees and displaced people, UNHCR also endeavours to promote the purposes and principles of the United Nations Charter: maintaining international peace and security; developing friendly relations among nations; and encouraging respect for human rights and fundamental freedoms.

FAQs:

Submitting Donations, Tax Receipts, Fundraising For UNHCR On Campus

IF I DON'T CREATE A FUNDRAISING WEBPAGE, HOW CAN I SUBMIT THE DONATIONS I'VE COLLECTED?

If you don't have a personal fundraising webpage, you may send us a cheque to our fundraising office in Toronto – including a note stating this donation is from a fundraiser. This is because under the Canada Revenue Agency policy, we cannot issue tax receipts in your name since this payment will be collected from various donors.

Please do not mail UNHCR Canada cash donations. In most cases, you can send us the collected donations under your name through our website or on your personal fundraising webpage.

HOW WILL MY DONORS RECEIVE THEIR TAX RECEIPTS?

If your donors make their gifts on your fundraising webpage, they will receive a tax receipt immediately via email.

If your donors make their donation by cash and has asked you to provide them with their tax receipt, please collect their full name, address, phone number, email and the amount they have given. Once you submit the payments on your webpage, send us the list of donors who want their tax receipts.

CAN MY UNIVERSITY START A UNHCR CLUB ON CAMPUS?

Unfortunately at this time, UNHCR Canada does not have the capacity to monitor UNHCR chapters at universities across Canada. Therefore, we cannot allow students to run clubs with UNHCR's name. Students are, however, allowed to host as many fundraisers as they wish and are allowed to use the UNHCR logo upon approval.
