

TEACHING ABOUT REFUGEES: 6-9 YEAR OLDS

1.A.1 LETTER MATCHING ACTIVITY

Instructions

Part of 1.A | Activities to facilitate relationships between children and build inter-cultural awareness at the individual level

This activity sheet contains a set of cards with gloves. They represent the alphabet in capital and matching lower case letters.

- 1) Print this document.**
- 2) Cut out a sufficient number of letter cards.**
- 3) Distribute the cards and make sure matching cards are equally divided, allowing each child to find a child with a matching card.**
- 4) Each child now needs to find their counterpart holding the same letter (lower or upper case) as the one they hold themselves.**
