

FIGURES AT A GLANCE

During the months of April, May and June 2020, the **UNHCR Regional Office for South Latin America**, complementing the national response of governments in the Southern Cone, has supported **more than 25,000** people with direct deliveries of assistance emergency, hygiene items and winter clothes, among other actions, benefiting refugees and migrants, host communities and authorities government (asylum and migration systems) to face the challenges that have arisen from the COVID-19 pandemic. Direct assistance equals to **USD 419,500**, in **Argentina, Chile, Paraguay and Uruguay**. These actions complement the work that UNHCR carries out through its partners in these countries.
