10.	TOTAL STATION WITH ALL ACCESSORIES			
11.	CNC machine/PCB etching/milling machine			
12.	3D printer			
13.	Solar panel analyzer			
14.	Electroluminescence test for the production of solar panel / EL Tester Equipment			

IMPORTANT NOTE:

Since Information provided in the above tables and related attachments will be used to evaluate technical bids and decide on qualification or otherwise, therefore, please provide complete and clear information duly substantiated by documentary proof. **Failure to provide the above-mentioned documents with your technical bid at the time of submission may lead to disqualification. Please note that only relevant information mentioned in article 2.4.1 should be submitted as irrelevant information will not be considered. Since the evaluation Committee will be short on time for evaluating large number of bids therefore, provision of required information in orderly manner is highly desirable which will facilitate evaluation of bids. Please provide a “Table of Contents” duly cross referenced with relevant attachments.**
