NRC

Projects charged to UNHCR:

1. Tender evaluation is completed for the first package of work; rehabilitation and upgrade of 24 houses at Alsabrie, 2 camp infrastructure, and 30 shelter unit at Al Hilies, Benghazi. Contract signing is ongoing for camp infrastructures and shelter units in Al Hilies, however for the housing units in Al Sabrie we're negotiating the timeline and the price with the selected bidder in order to proceed with signing the contract. Expected starting date for the work is mid of next week.
2. Rehabilitation of 41 houses at Al Sabrie; technical assessment is completed, BoQs and scope of work are completed. All documents shared with UNHCR and approved – the tender will be advertised this week.
3. For infrastructure works in Tripoli, tender has been advertised, shelter team facilitated and joined site visits with contractors and the last day for submission of offers will be on Thursday 12 August.

Projects charged to other donors:

1. Rehabilitation and upgrade of two health centers in Al Hadba and Mashroe Zerae-Tripoli; tender has been advertised, shelter team facilitated and joined site visits with contractors and the last day for submission of offers will be on Thursday 12 August
2. Rehabilitation of housing units - Benghazi: Registration and vulnerability assessment for HHs in Gamminess and Benena is ongoing, technical assessment is ongoing in parallel
3. Rehabilitation of housing units – Tripoli: working on registering potential beneficiaries through community focal points and local councils, vulnerability assessments started for HHs identified in Abu Salim (AL Khalatat area). Site visits are planned to be conducted next week to areas with potential HHs rehabilitation in Qasr bin Gasher.

UNHCR

- During reporting period, UNHCR managed to reach 480 HH, 2,767 individuals mainly refugees, asylum seekers, migrants and IDP's.
