

CODE REVIEW: PHASE 1 CONSULTATION

FEEDBACK FORM OVERVIEW

MAY 2021

PREAMBLE

INTRODUCTION:

This document is an overview of the Code review's Phase 1 consultation and is for reference purposes only. It provides an opportunity to review the Phase 1 consultation questions before submitting feedback on the below link. Please do not be daunted by the number of questions, you are free to submit as much or a little feedback as you like. The rest can be left blank.

SUBMITTING YOUR FEEDBACK:

When you are ready to submit your feedback, this must be submitted only via our online consultation form: [Phase 1 consultation](#).

STRUCTURE:

The consultation is split into sections (see Contents below). You will have an opportunity to submit feedback on each and every article of the Code and International Standards. If you have no feedback to provide on certain articles, then these questions can be left blank. However, throughout the consultation there are also some required questions (**marked in this document with * and in bold**) which cannot be left blank. These are the About You questions in section 1 but there are also targeted questions in other sections.

PRIVACY:

Please be aware that all feedback submitted will be published. By submitting feedback you agree to your name and/or organisation being published and being available along with your feedback on the IPC website. Feedback will not be anonymised.

QUERIES:

For any queries, please contact: classification@paralympic.org

DEADLINE:

The deadline for submitting feedback during Phase 1 is Friday 17 September 2021.
