IPC Athletes' Council global consultation exercise regarding athlete protests – call for registration

Dear Members,

As announced on 7 July 2020, the International Paralympic Committee (IPC) Athletes' Council is launching a [consultation exercise](#) with the global Para athlete community to gather a better understanding on the ways that they could express their views on key subjects at the Paralympic Games, while respecting the Paralympic Movement's values and principles.

The consultation exercise will take the form of a series of focus groups led by the IPC Athletes' Council in English, French and Spanish from September 2020, with the exact dates and times to be communicated later

The registration process is now open until 24 August 2020. We would like to ask you to share this communication with all your athletes and encourage them to sign up individually via the below link, which is in English, French and Spanish.
