

5.6 PARA TRAP MIXED TEAM EVENT

5.6.1 All Para Trap Mixed Team event rules are in accordance with these Rules and Regulations and the ISSF Rules. This Rule provides special Technical rules for the Para Trap Mixed Team event.

5.6.2 Mixed Team Composition

Mixed Teams must be comprised of members of the same national team with two team members. The team members must be from a different sport class (i.e. one member SG-S and one member SG-L).

5.6.3 Mixed Team timing. All team members will have 15 seconds to move from station to station and call for the target.
