In accordance with Regulation 3.3, Technology and Equipment, and specifically 3.3.2, Monitoring the Use of Technology and Equipment; World Para Athletics now require all athletes to register personal competition equipment including but not limited to:

- a) Sports specific prosthesis devices;
- b) Wheelchairs and their componentry.
- c) Specification for Throwing Frames and materials for holding bars;
- d) Personal Starting Blocks

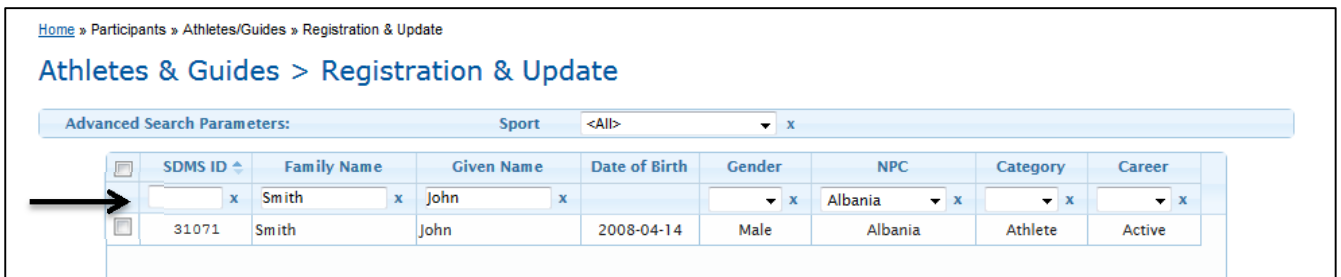

Note: Athletes are not required to register throwing implements

1 Registration

The process of registering such equipment shall be through the IPC Sport Data Management System (SDMS) as follows:

1.1 Step 1

Once you are logged into SDMS, go to *Participants* → *Registration & Update*, and then find and select the athlete.

Home » Participants » Athletes/Guides » Registration & Update

Athletes & Guides > Registration & Update

Once complete, press **save**.

The maximum number of equipment sets you can register is three (3). Note: a wheelchair and its components will be considered as one (1) set, rather than registering each component separately (frame, wheels etc.).

Should you wish to register a second or third piece of equipment, select *New Equipment Set* and follow the same procedure from Step 2.

2 Validation

Upon the registration and submission of equipment, World Para Athletics shall review each set and may request further details of any registered equipment. If an athlete changes their equipment throughout the season, the new equipment must be registered to SDMS.

World Para Athletics has a duty to prohibit the use of equipment that breaches the fundamental principles of 'safety', 'fairness', 'universality' and 'physical prowess' per World Para Athletics Regulations 3.3.3. World Para Athletics through its appointed Technical Delegate(s) will continue to monitor the use of Technology and Equipment at all World Para Athletics Registered Competitions to ensure that it conforms with the above regulations, and those principles set out in 3.3.1 of the World Para Athletics Rules and Regulations.
