

## Key Figures

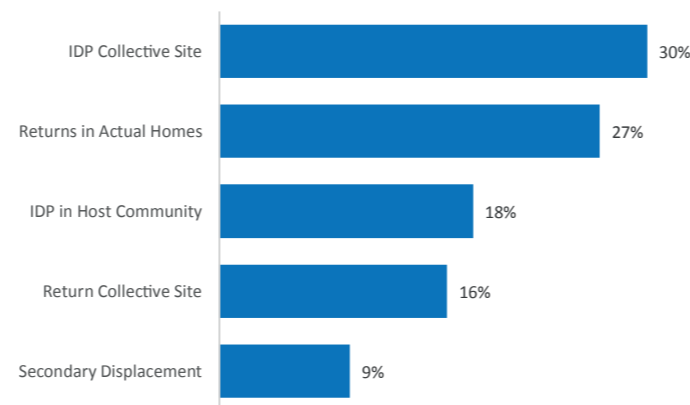

## Factors preventing IDPs from returning

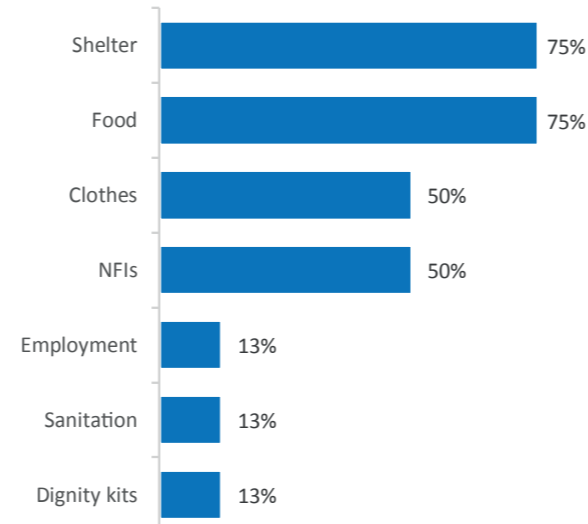

## Vulnerabilities

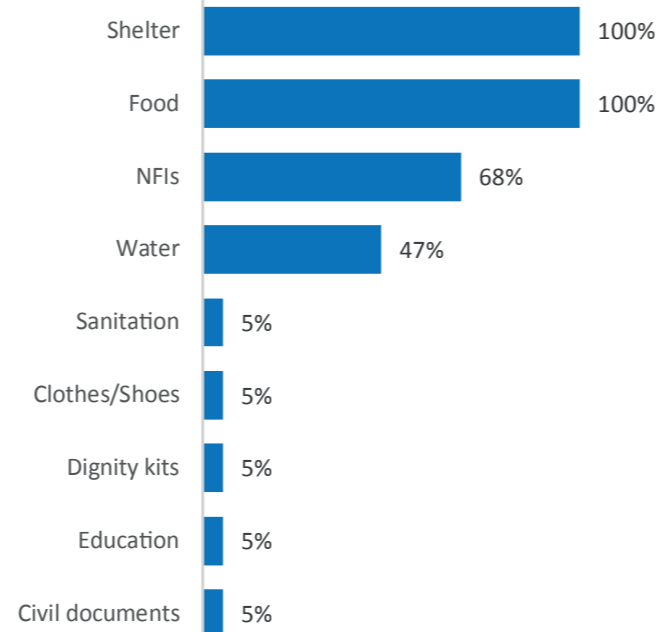

## Percentage of IDPs in Site types

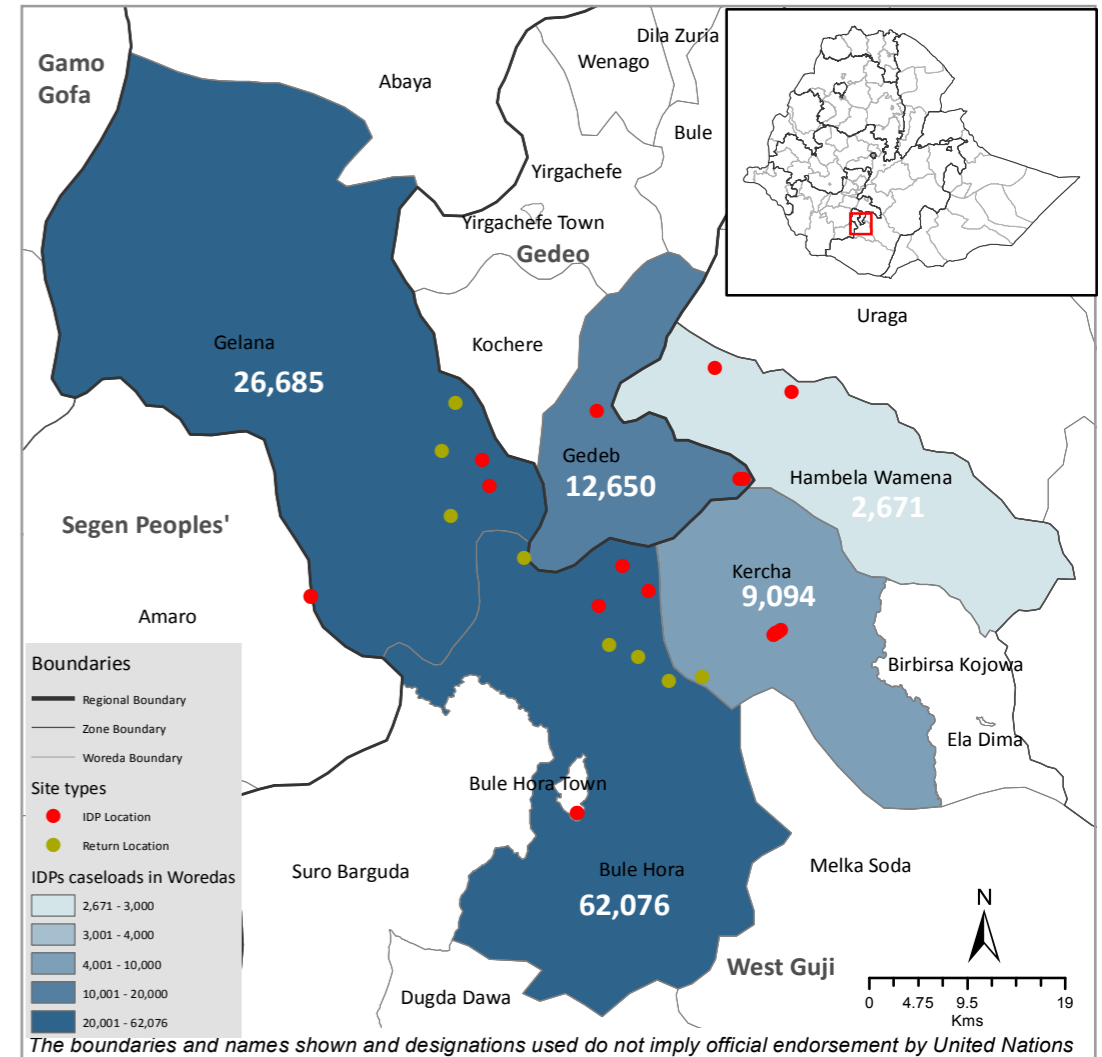

## IDPs priority needs after returning

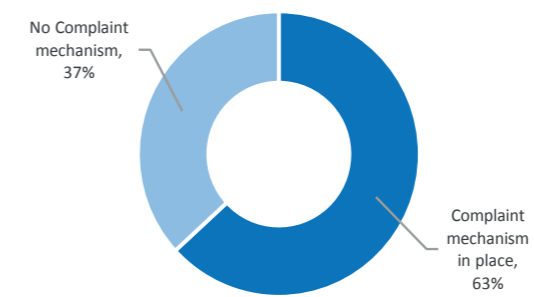

## IDPs priority needs at place of displacement

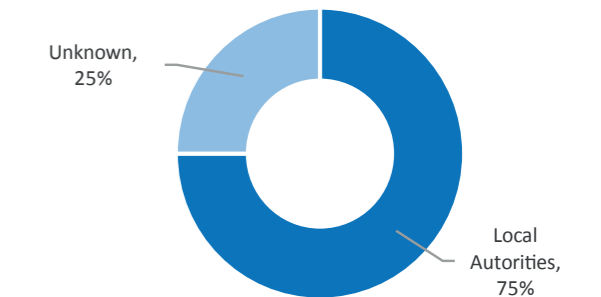

## IDPs by Site typologies and IDPs caseloads in Woredas

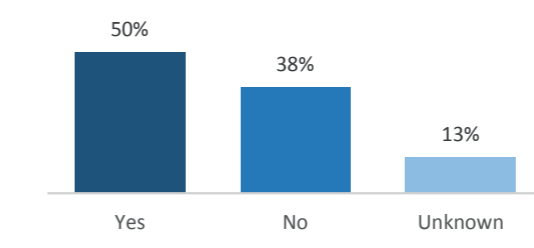

## IDP sites with complaint mechanisms

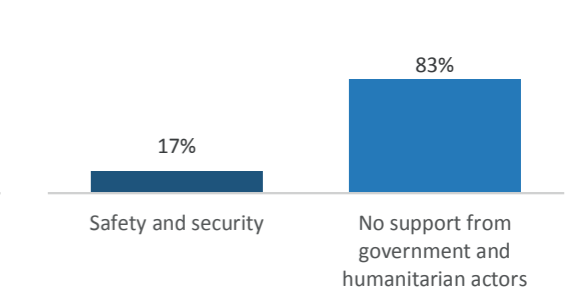

## To whom IDPs report grievances in returnee sites

## Returnees access to their HLP

## Major challenges impeding resettlement

The Protection Monitoring data used to generate the above infographics was collected by UNHCR and UNFPA. The data was collected through Key Informant (KI) interviews. The KIs that participated in this assessment had good grasp of the protection profile of the IDP sites. If you have questions and comments, feel free to contact Feven Zerihun (fzerihun@unicef.org), Noah Sempira (sempira@unhcr.org), and Dula Duguma (duguma@unhcr.org).
