

SMS Operational Dashboard

East Harerge and Dire Dawa (June 2019)

Publication: 11 June 2019

Overview

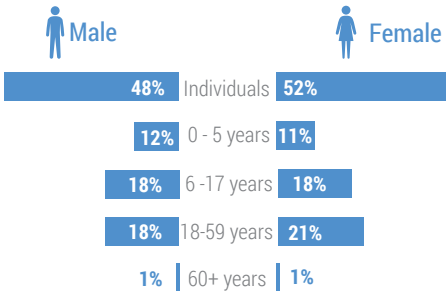

In December 2018, IOM started SMS operations in Dire Dawa and East Harerge, in response to inter-communal violence of 2017. The SMS team currently operate in 12 collective sites in East Harerge, and 1 sites in Dire Dawa. One site in Dire Dawa has closed due to the return of IDPs to their original homes and is under rehabilitation by IOM.

The team works closely with Zonal, Woreda, and Administrative DRMO offices, as well as other partners. The total number of IDPs reached by SMS is 12,425 with 2,400 household. Currently, SMS has deployed 7 staff to support the IDP crisis in Dire Dawa and East Harerge Zone.

Key Figures

Demographics

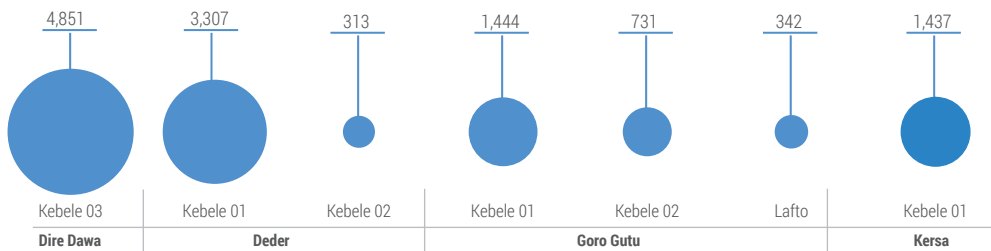

Vulnerabilities

* Vulnerabilities are calculated out of the total IDP population SMS is supporting in the East Harerge and Dire Dawa

IDP Population by Kebele (SMS)

Gaps and challenges

Within Dire Dawa and East Harerge, there is a lack of operational partners. Due to the time that the sites have been open, the urgent needs of the displaced population are less well covered. Longer term solutions are needed for the displaced community.
