

SMS Operational Dashboard

Gedeo

(May 2019)

Publication: 20 June 2019

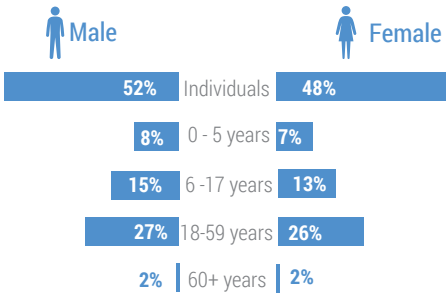

Overview

In response to inter-communa clash between Gedeo and Guji Oromom, IOM started SMS operations in Gedeo Zone in December 2018. Previously SMS Dilla operated in 19 collective sites, hoseted in Dilla Town, Yirgachefe and Gedeb Woreda. Due to Government return plan 10 sites have been dismantled and 2 sites are partially closed. Currently, only 7 SMS managing collective sites are still open. As of 31 May 2019, 9,135 IDPs with 1,377 households are hoseted in these sites. To support the IDPs crisis, SMS Gedeo has deployed 20 staffs based in Dilla town and Yirgachefe town. The team works closely with IOM's WASH and DTM units and other humantairian organizations. In addition , it works with zonal, woreda and DRMO offices.

Key Figures

Demographics

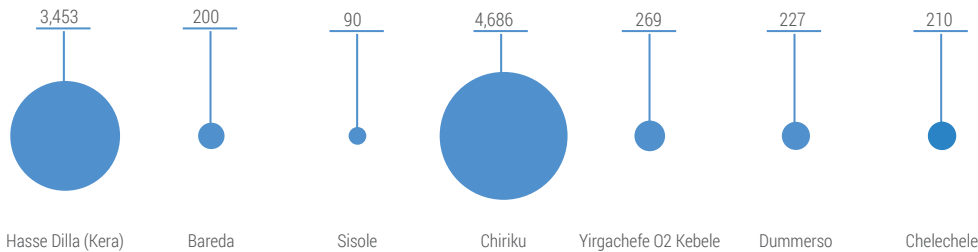

Vulnerabilities

* Vulnerabilities are calculated out of the total IDP population in the 7 sites that are currently open in Gedeo.

IDP Population by Kebele (SMS)

Gaps and challenges

Restriicted access to Collective sites in Gedeo Zone as a result of uncoordinated return initiated by the Govern-ment, which potentailly leads to lack of and limited humanitarian support to the IDPs in need.

Operational presence of cluster partners (Gedeo)
