Inter-Agency Standing Committee (IASC)

Mine Action in Humanitarian Cluster System

Reference Module for Cluster Coordination

- Cluster and Sector Coordination
- Cluster Activation
- Cluster Functions
- The Role of Clusters in Preparedness
- Cluster Management Arrangements
- Sharing Leadership
- Minimum Commitments for Participation in Clusters
- Inter-Cluster Coordination, Sub-National Coordination, Monitoring Cluster Coordination

Cluster: Six Core Functions

1

Support service delivery

4

Monitor and evaluate performance

2

Inform the Humanitarian Coordinator/Humanitarian Country team's strategic decision-making

5

Build national capacity in preparedness and contingency planning

3

Plan and implement cluster strategies

6

Support robust advocacy

Network of NGOs, IOs, and UN agencies engaged in protection work in humanitarian crises, including armed conflict

Work: coordinate the development of policy, standards and operational tools relating to protection in humanitarian action, including practical guidance on how to establish and manage protection coordination mechanisms

Mission: ensure (i) well-coordinated, effective and principled protection preparedness and responses and (ii) protection is at the core of humanitarian action and considered essential for development and peace

Governance: Strategic Advisory Group (SAG)

GPC Strategic Framework 2020-24

- Establish basics of protection coordination in all our operations
- Ensure voices of crisis-affected persons are heard, esp. the forgotten ones
- Make protection contextually appropriate and complementary
- Champion durable solutions through a nexus of humanitarian, peace and development action
- Adapt to the shifting operational environment and keep looking forward

Mine Action Area of Responsibility

- MA AoR: global coordinator for mine action
- Lead Agency: UNMAS (Geneva) and NGO co-lead
- Key functions
 - Field Support (16 field coordination mechanisms)
 - Bringing together mine action actors
 - Representation in policy and dialogue
 - Engaging with humanitarian partners (notably Global Protection Cluster and UNHCR, the Child Protection AoR and UNICEF, the Housing Land and Property AoR and NRC, the Health Cluster, IOM DTM)
 - Provider of last resort

"Provider of Last Resort"

Definition: where necessary, and depending on access, security and availability of funding, the provider of last resort must be ready to ensure the provision of services required to fulfil crucial gaps identified by the cluster and reflected in the HC-led HCT Humanitarian Response Plan

MA AoR Workplan 2020-22

- *Vision:* protection from EO for people living in humanitarian emergencies and victims' needs fully realized
- *Objectives:*
 - Strengthen headquarters MA AoR partnerships and tools to enhance MA coordination in humanitarian contexts
 - Support humanitarian in-country mine action coordinators to facilitate coherent mine action in humanitarian responses
 - Strengthen advocacy, policy and integrated approaches with key donors and stakeholders (OCHA, GPC) for mine action to be represented in the Humanitarian Programme Cycle

Humanitarian Needs Overview (HNO)

- Prepared for protracted or sudden emergencies and provide a shared understanding of the crisis, including the most pressing humanitarian needs and the estimated number of people who need assistance (PiN)
- MA AoR contributes analysis

Humanitarian Response Plan (HRP)

- Articulate a shared vision by all clusters on how to address the needs of affected people and develops a strategic response plan
- MA AoR coordinates the mine action response
