1. Introduction to UNHCR:

The Office of the United Nations High Commissioner for Refugees was established in 1950 by the United Nations General Assembly to lead and co-ordinate international actions to protect refugees and to identify lasting solutions for them. The organization's primary purpose today is to safeguard the rights and well-being of refugees, forcibly displaced communities and stateless people worldwide.

In more than six decades, the agency has helped tens of millions of people restart their lives. Today, a staff of some 16,800 people in 134 countries work to help about 70.8 million displaced people. For further information on UNHCR, its mandate and operations please see <http://www.unhcr.org>.

7. Submission of EOI

EOI should be submitted by file (only in PDF) upload to eTenderBox, the online bid registration tool of UNHCR.

The eTenderBox can be accessed via the following URL: <https://etenderbox.unhcr.org>

In order to use eTenderBox, registration on the website is required. This registration is exclusively for eTenderBox and does not replace any other registrations for UNHCR applications. One Supplier should have only one registered email account in the system. Therefore, the Supplier must use only one eTenderBox account for managing its offers to UNHCR. In case the password is forgotten, that account cannot be used anymore and new registration is required. Registration Guide and User Manual of eTenderBox are available at the above URL.

Uploaded files can be amended by the Supplier while the tender is open. The selected files for upload are submitted when the 'Save & Submit' button is clicked on. Therefore, this button has to be clicked before the deadline expires. If done so, the selected files will be submitted and uploaded successfully even if the deadline expires during the file upload. It is the Supplier's responsibility to ensure that all files of the final offer are submitted by the tender expiration deadline.

Once the deadline for submission is expired, the EOI will be automatically closed after which the uploaded files can be reviewed but options for additional upload and deletion of previously uploaded files are not available anymore. In order to ensure the safe submission of the full and final offer, it is recommended to have all files uploaded well before the tender deadline.

Closing date for receipt of EOI: 11 April 2022 23:59 hrs CEST

IMPORTANT:

UNHCR may, at its discretion, extend the deadline for the submission of EOIs, by notifying all prospective parties simultaneously.
