

**DECREE**  
**of the President of the Azerbaijan Republic**

**Regarding the Approval of the “State Program for the  
Improvement of living standards and generation  
of employment for refugees and IDPs”**

The destiny of people displaced from their homelands as a result of the Armenian aggression, the improvement of their living conditions and the provision of their social protection are at the center of special state attention. This has been funded by the Oil Fund of the Azerbaijan Republic, the State budget, Donor states and International Humanitarian Organizations. Over the last few years, new settlements have been constructed, modern houses and apartments have been built in different cities and districts and turned into settlements for refugees and IDPs. A wide range of humanitarian projects and other measures for the social protection of refugees and IDPs have also been carried out.

Despite the wide range of measures taken to improve the living standards of and generate employment for refugees and IDPs, the majority of them are still living in very difficult conditions in tent camps, railway carriages, run down public buildings not suitable for normal living and other temporary settlements. In addition to this, they face a variety of social problems.

In order to improve living standards and work towards a solution to other social problems of our compatriots living in tent camps, railway carriages and settlements not suitable for living until the liberation of the occupied territories of Azerbaijan and their return to homelands I decree:

1. To approve the State Program for the Improvement of living standards and the generation of employment for refugees and IDPs (is attached hereto).
2. To empower the officials of the relevant state structures of the Azerbaijan Republic not to tolerate attempts to evict IDPs from public buildings, apartments, lands and other places, temporarily occupied by them between 1992-1998, regardless of ownership until they return to their homelands or move to new settlements and houses for temporary living.

3. To recommend the management of private enterprises to assist refugees and IDPs to find work. To recommend the management of higher and secondary educational institutions to assist refugees and IDPs to with tuition fees.
4. The Cabinet of Ministers of the Azerbaijan Republic should:
  - take appropriate measures for the implementation of the State Program approved by this Decree together with the relevant executive powers.
  - give a quarterly report on the measures taken for the implementation of the State Program to the President of the Azerbaijan Republic.
5. This Decree comes into effect from a date of signing.

President of the Azerbaijan Republic  
Ilham Aliyev
