Returnees to Mali 2013 - 2015:

9,005 individuals returned to Mali (both assisted & spontaneous return)

VARIATION REFUGEES POPULATION

In 2015, there is an increase of the total population due to low number of returnees (assisted & spontaneous) to Mali in one hand and in the other hand a considerable number of new arrivals to Niger. Among the arrivals to Niger are some of those who benefited from the assisted return to Mali. As of now the total Malian refugee population in Niger varies above 50,000 individuals.
